These are the Autobots Mirage and Ratchet. Mirage is very smart. Ratchet is the Autobot medic.

Gears is real strong and can turn into a truck! Sideswipe is a warrior Autobot who likes to stay polished!

These are the Decepticons! They hate Autobots! Soundwave is sneaky!
He can hear everything! Rumble is strong! He can make earthquakes!

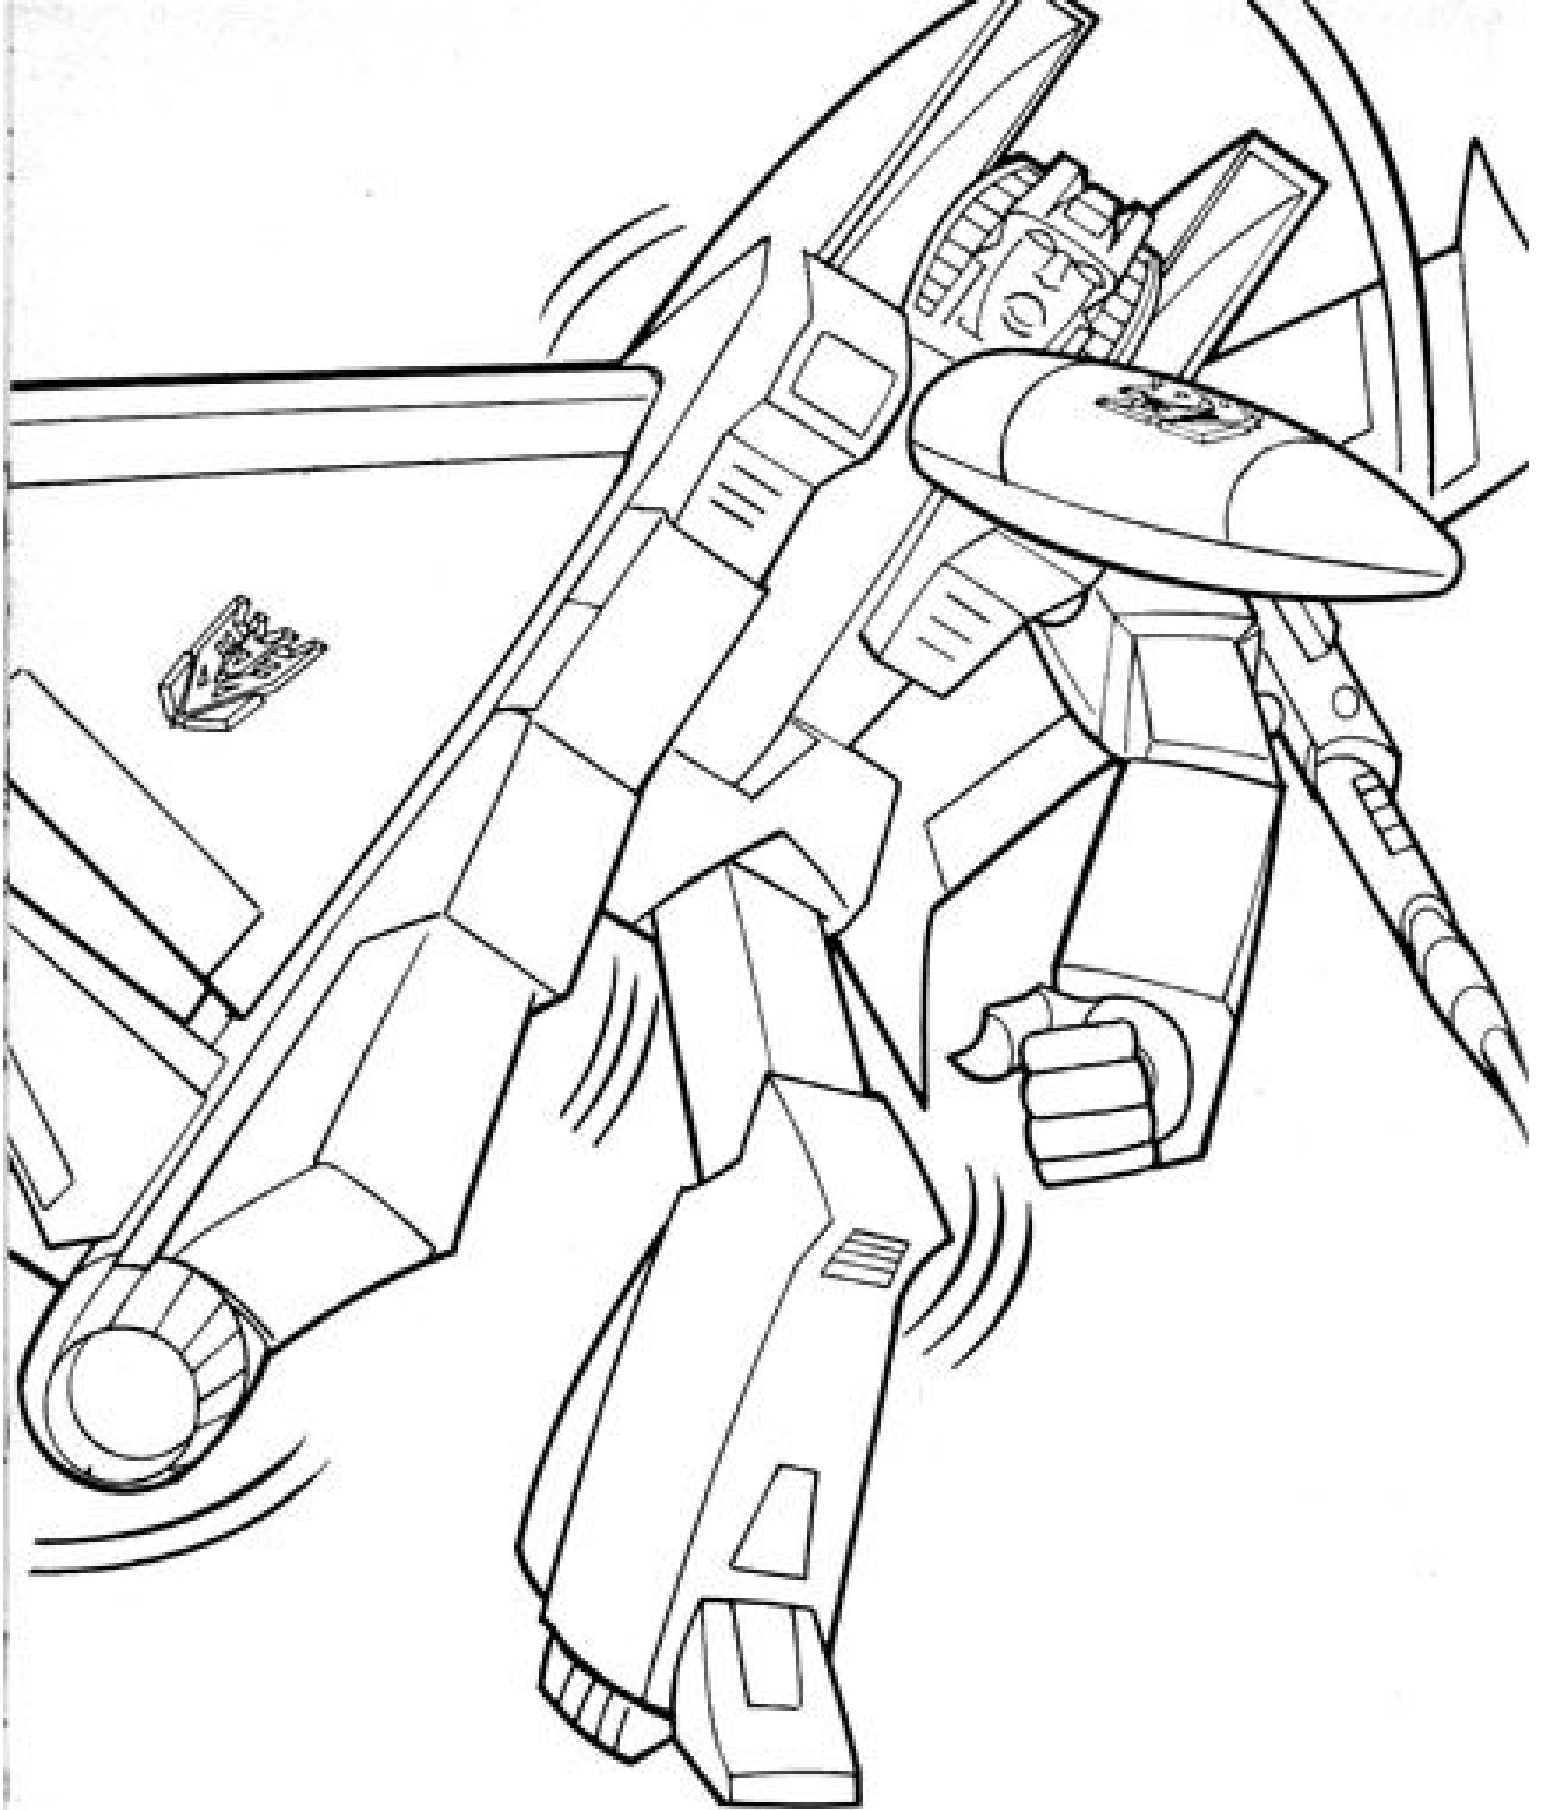

The Decepticon Thundercracker can turn into a powerful jet fighter!
Ravage can turn himself into a mini-cassette!

"Come with me, Decepticons!" shouts Thundercracker. "I know how to stop the Autobots once and for all!"

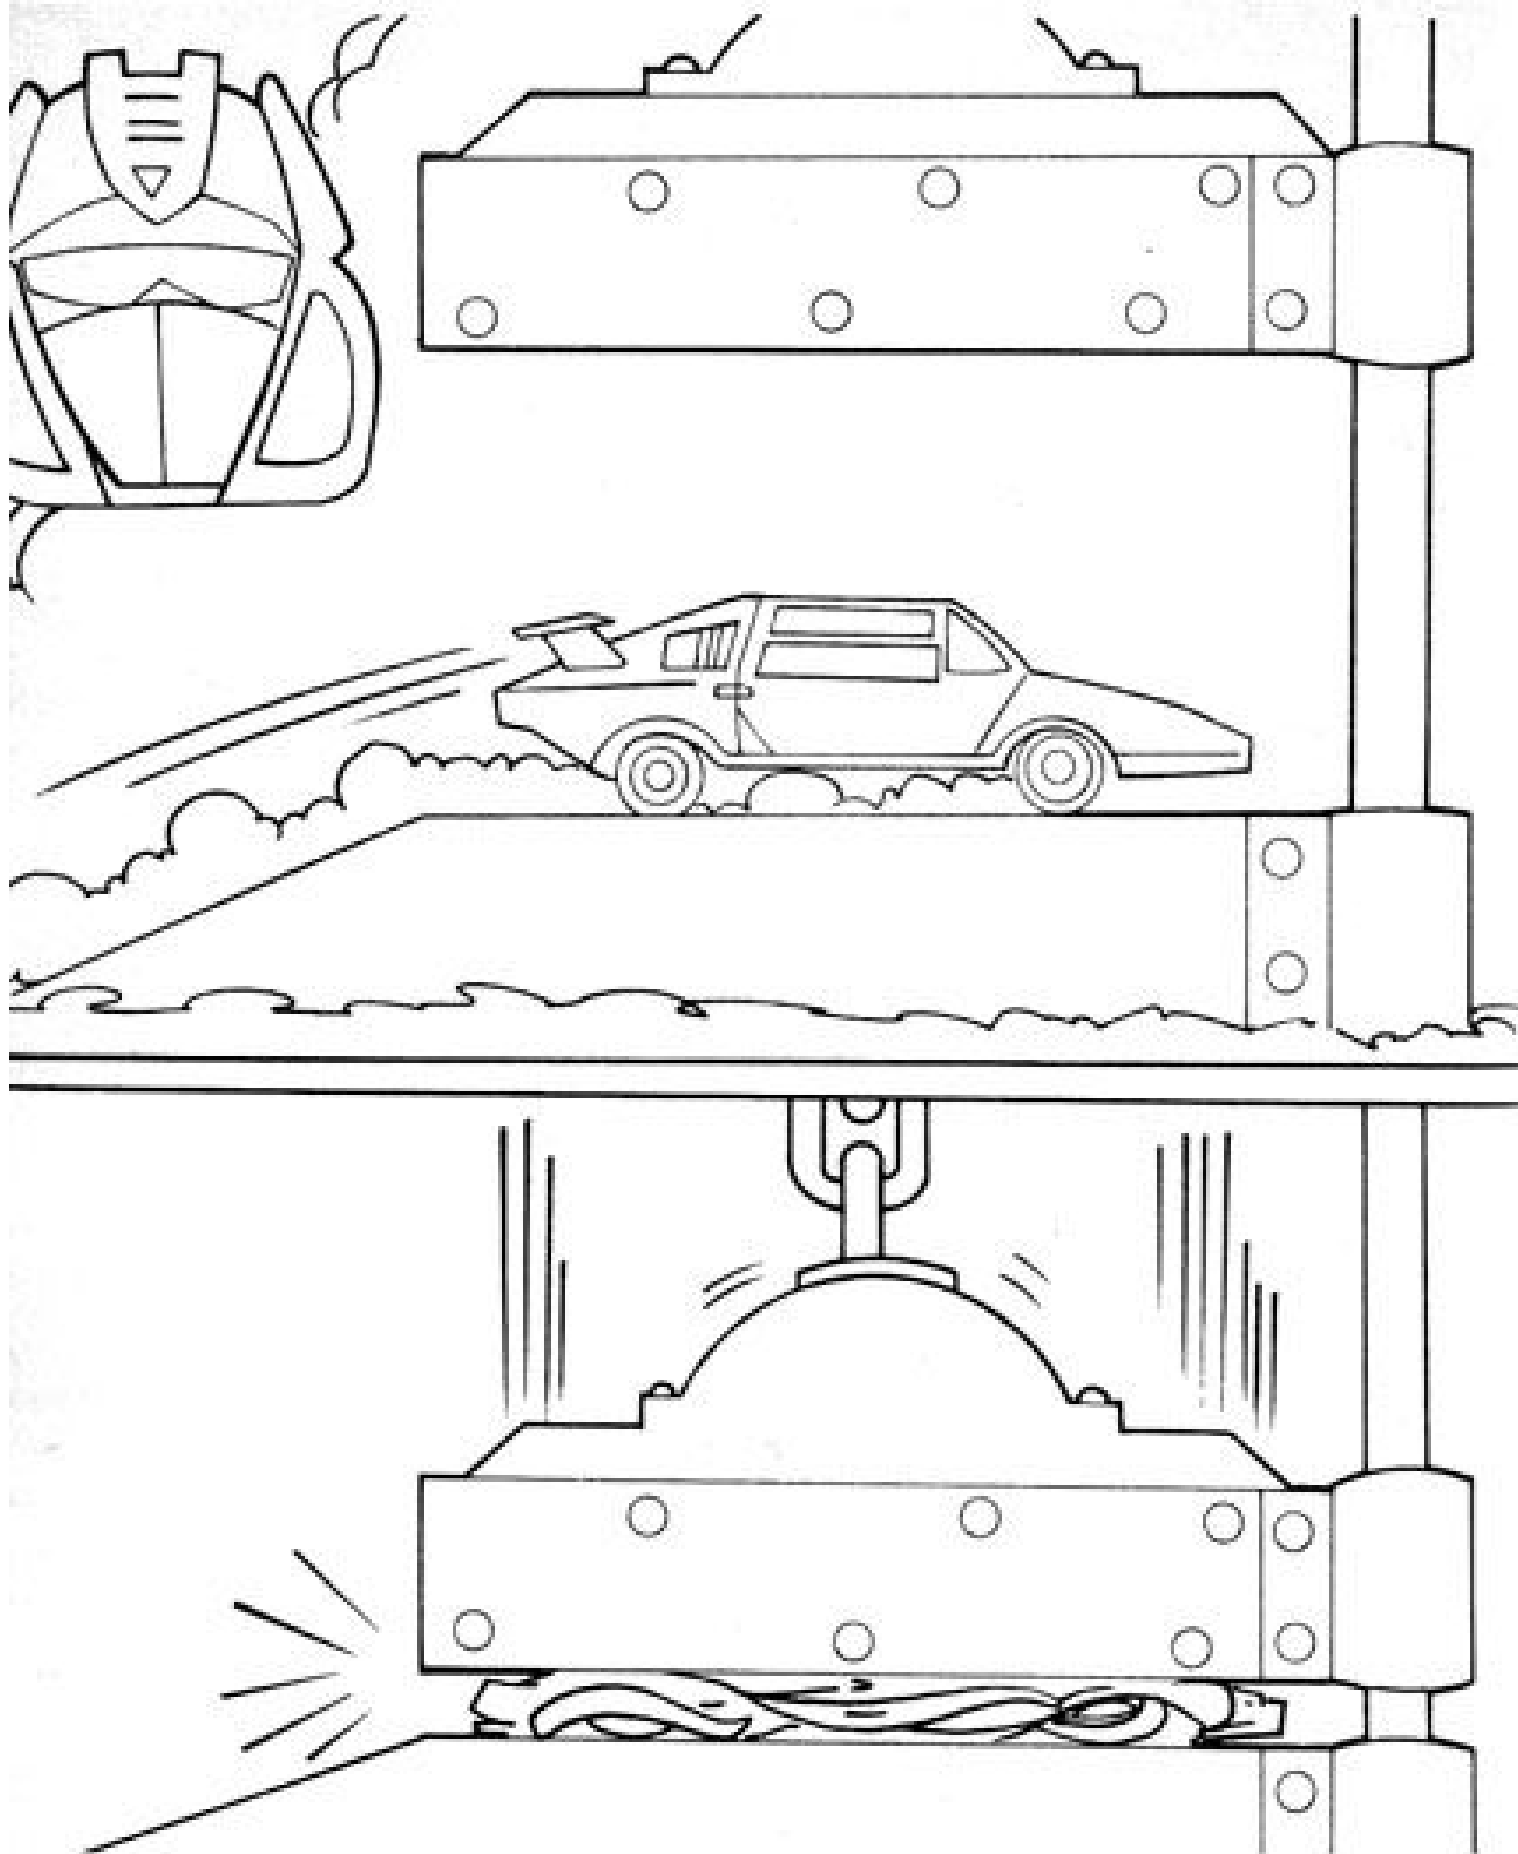

"Thundercracker! This is a junkyard!" says Ravage. "There is nothing here but a bunch of wrecked cars!"

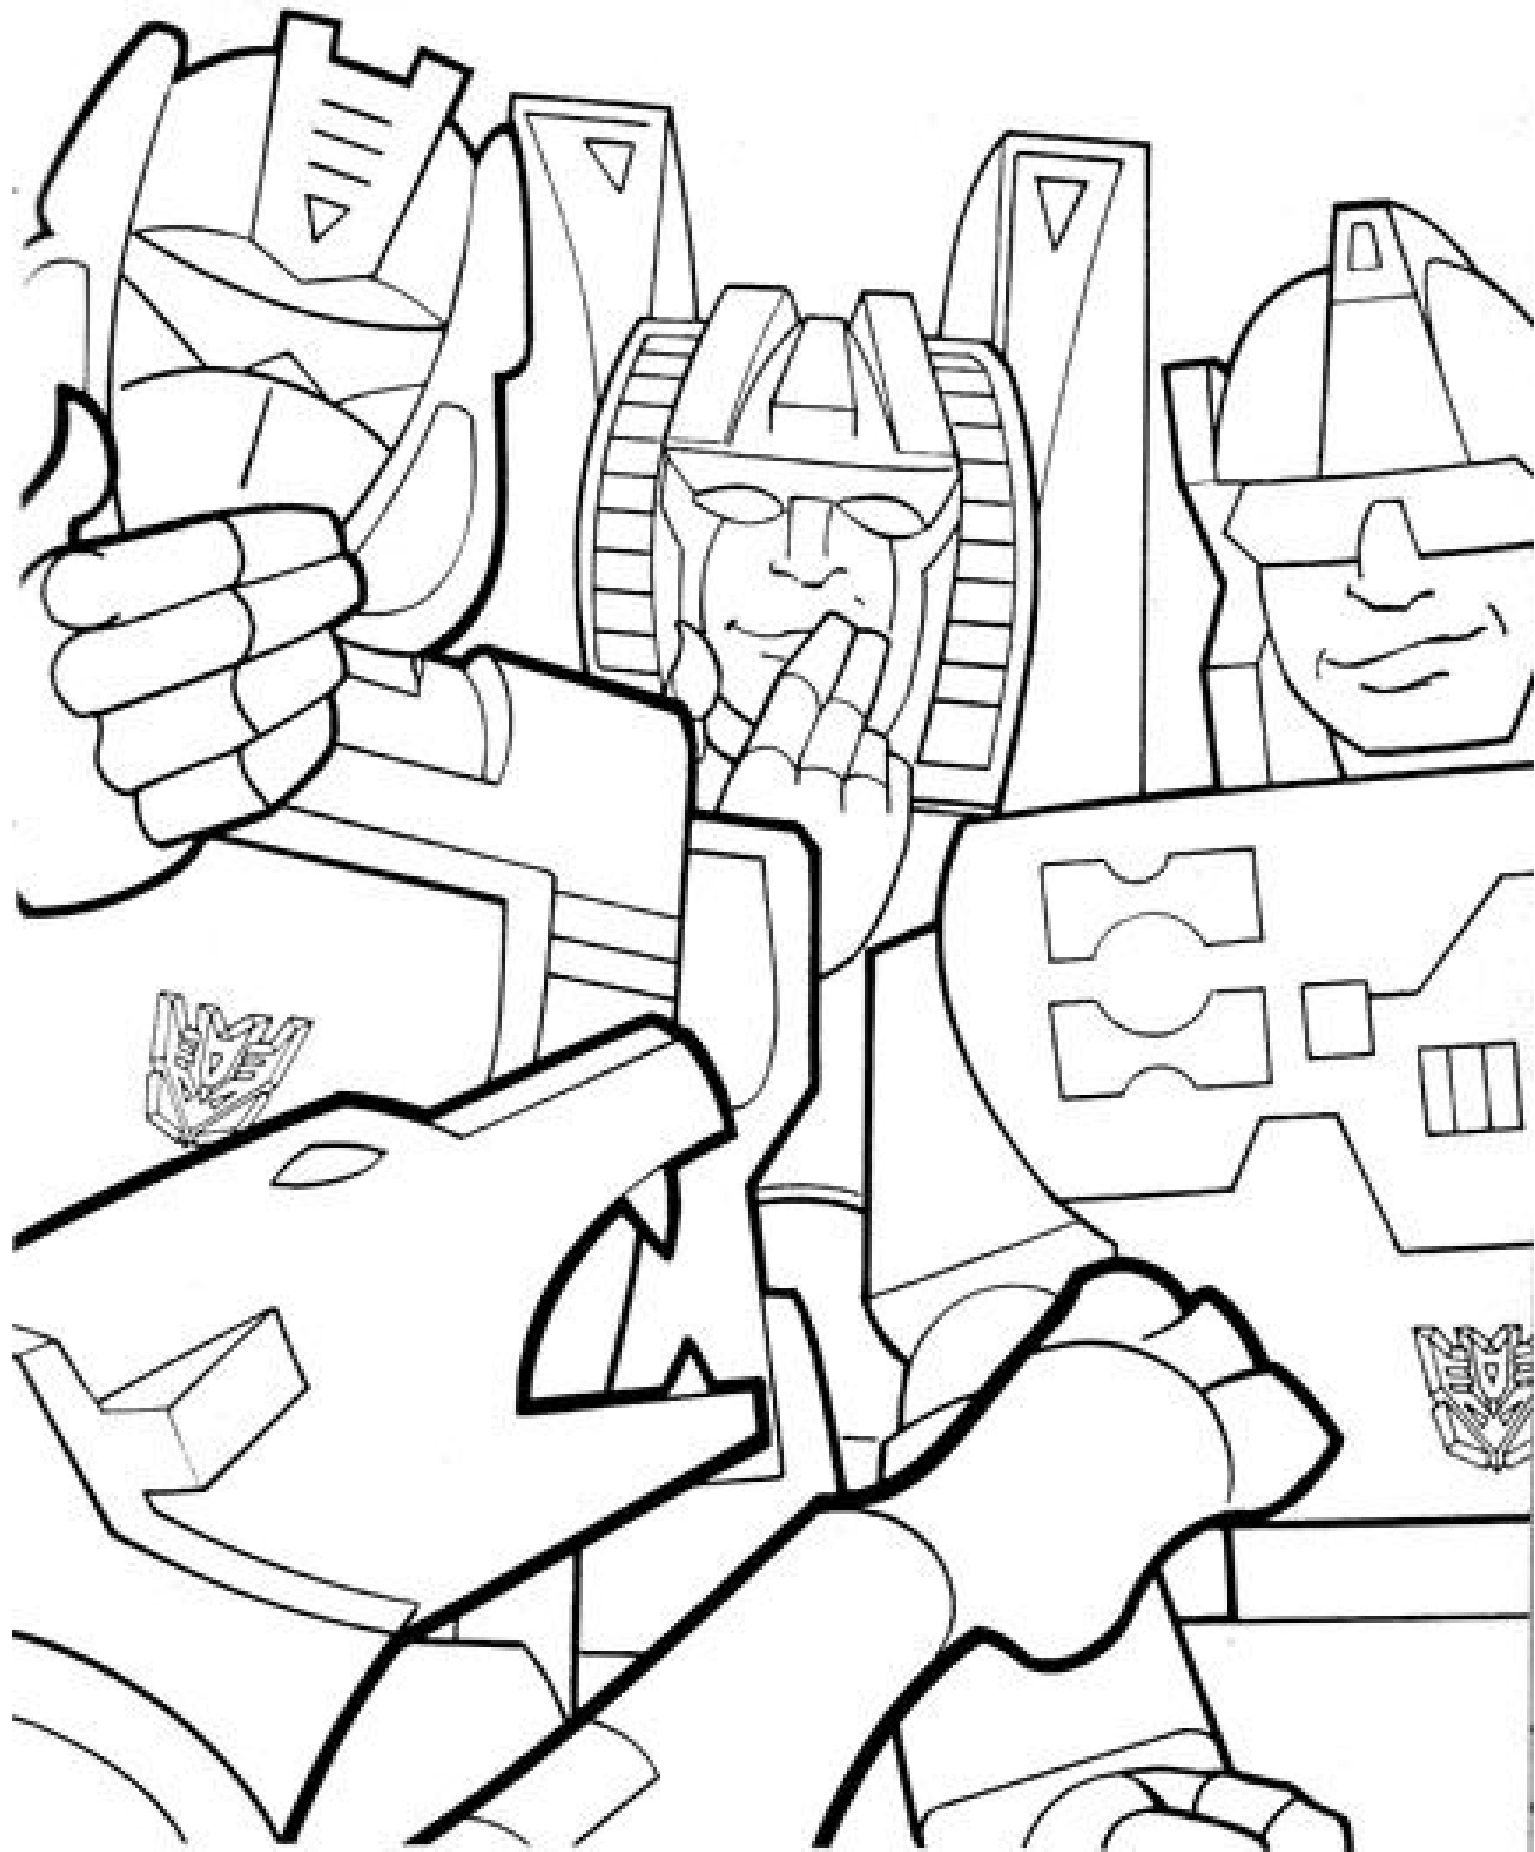

"That's right!" says Thundercracker as he turns himself into robot mode.
"That's why I brought you here!"

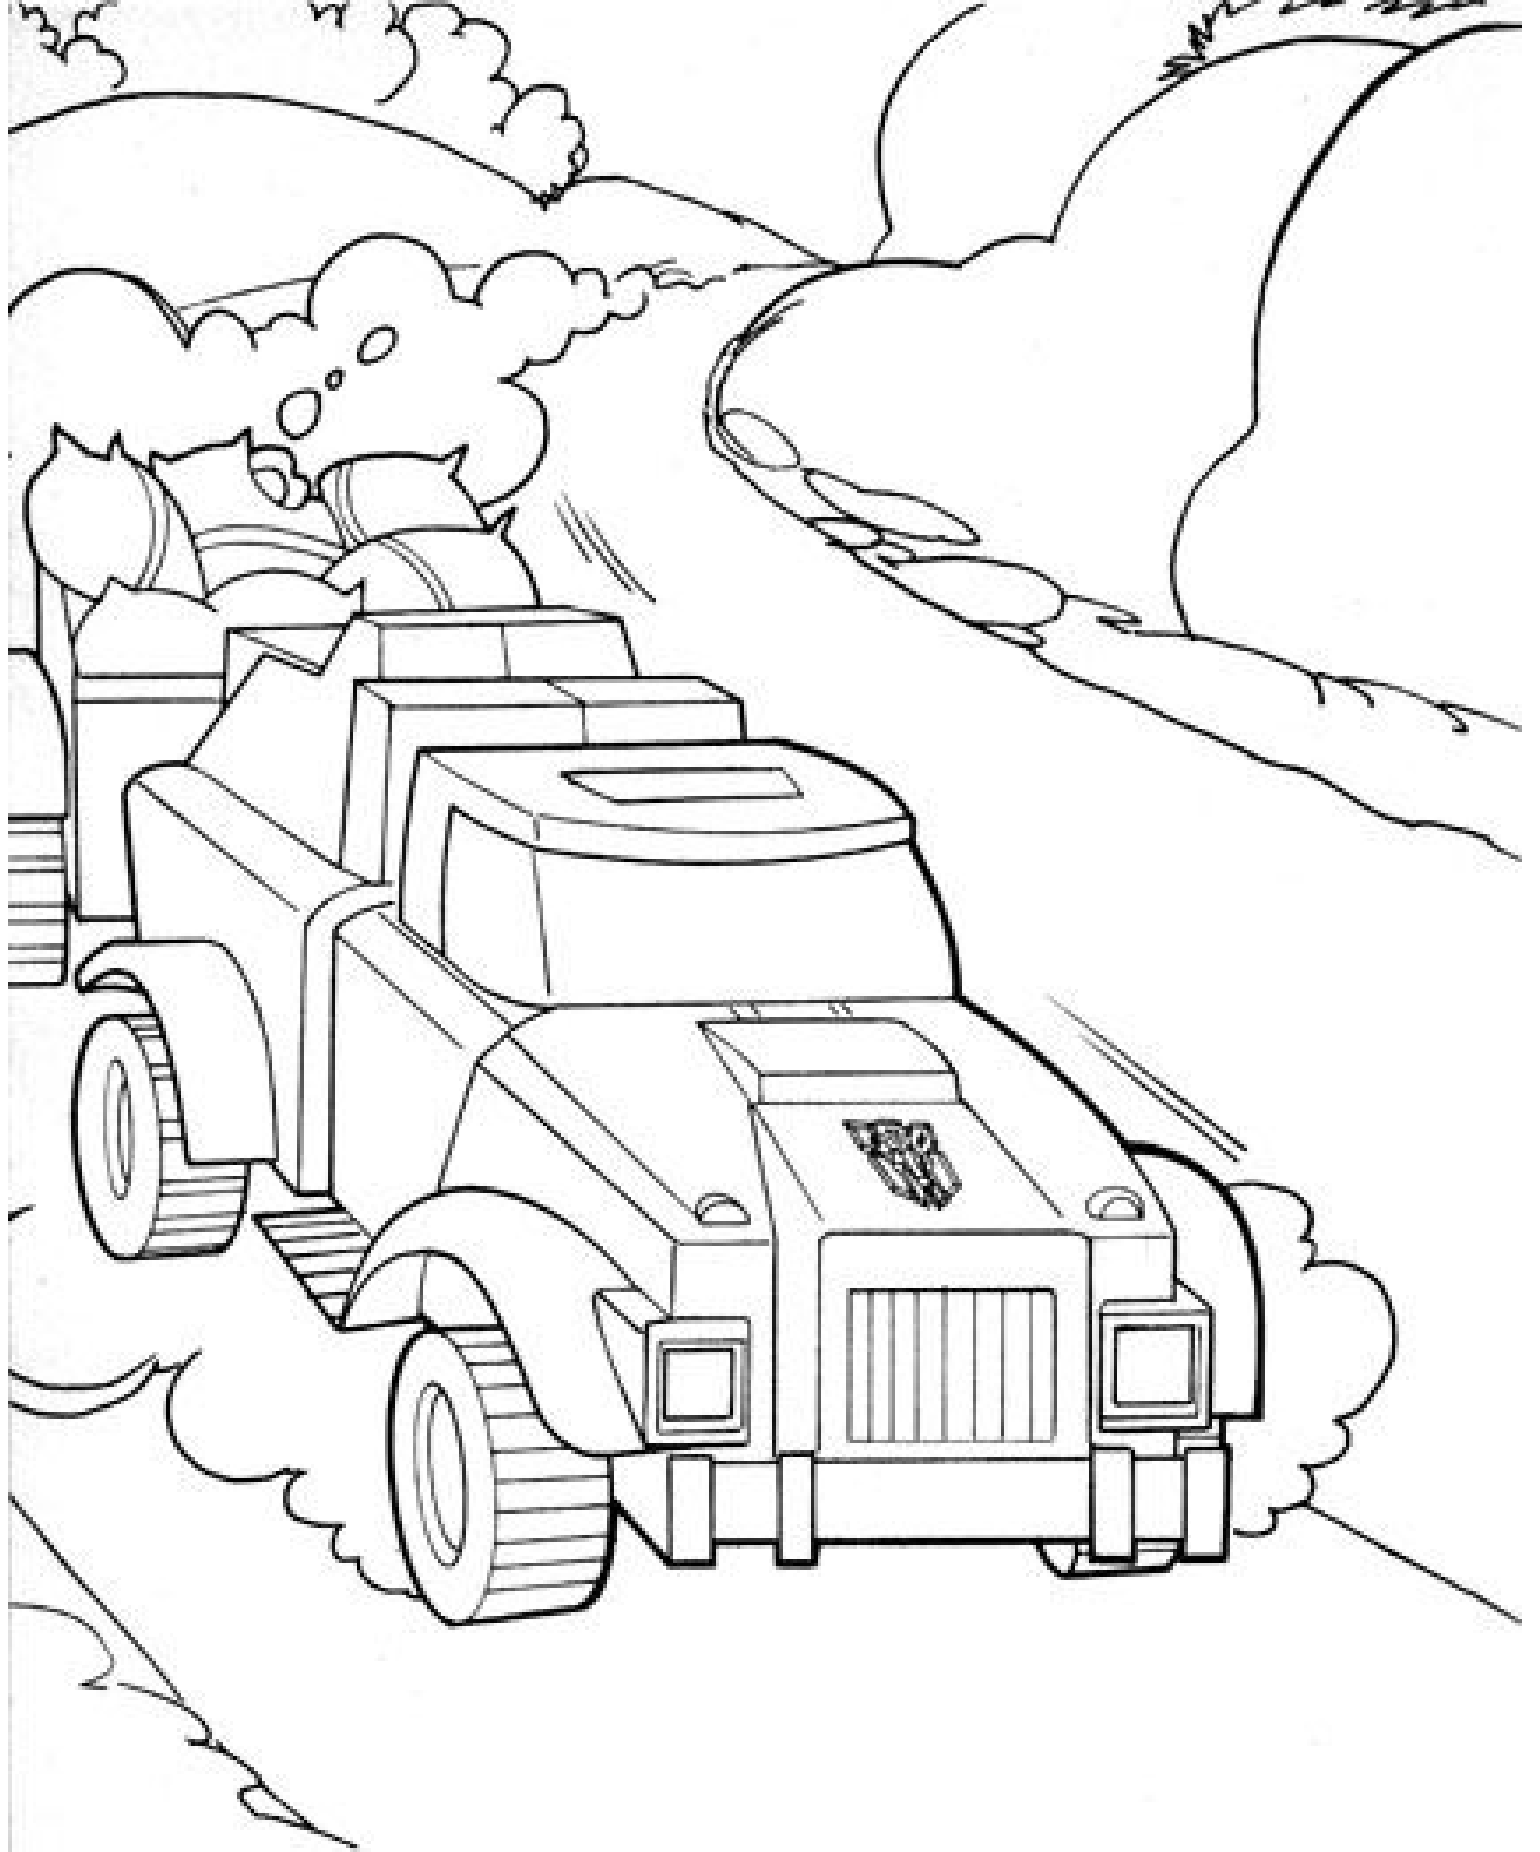

"This is the machine that smashed the cars!" says Thundercracker.
"Think of what it can do to the goody-goody Autobots!"

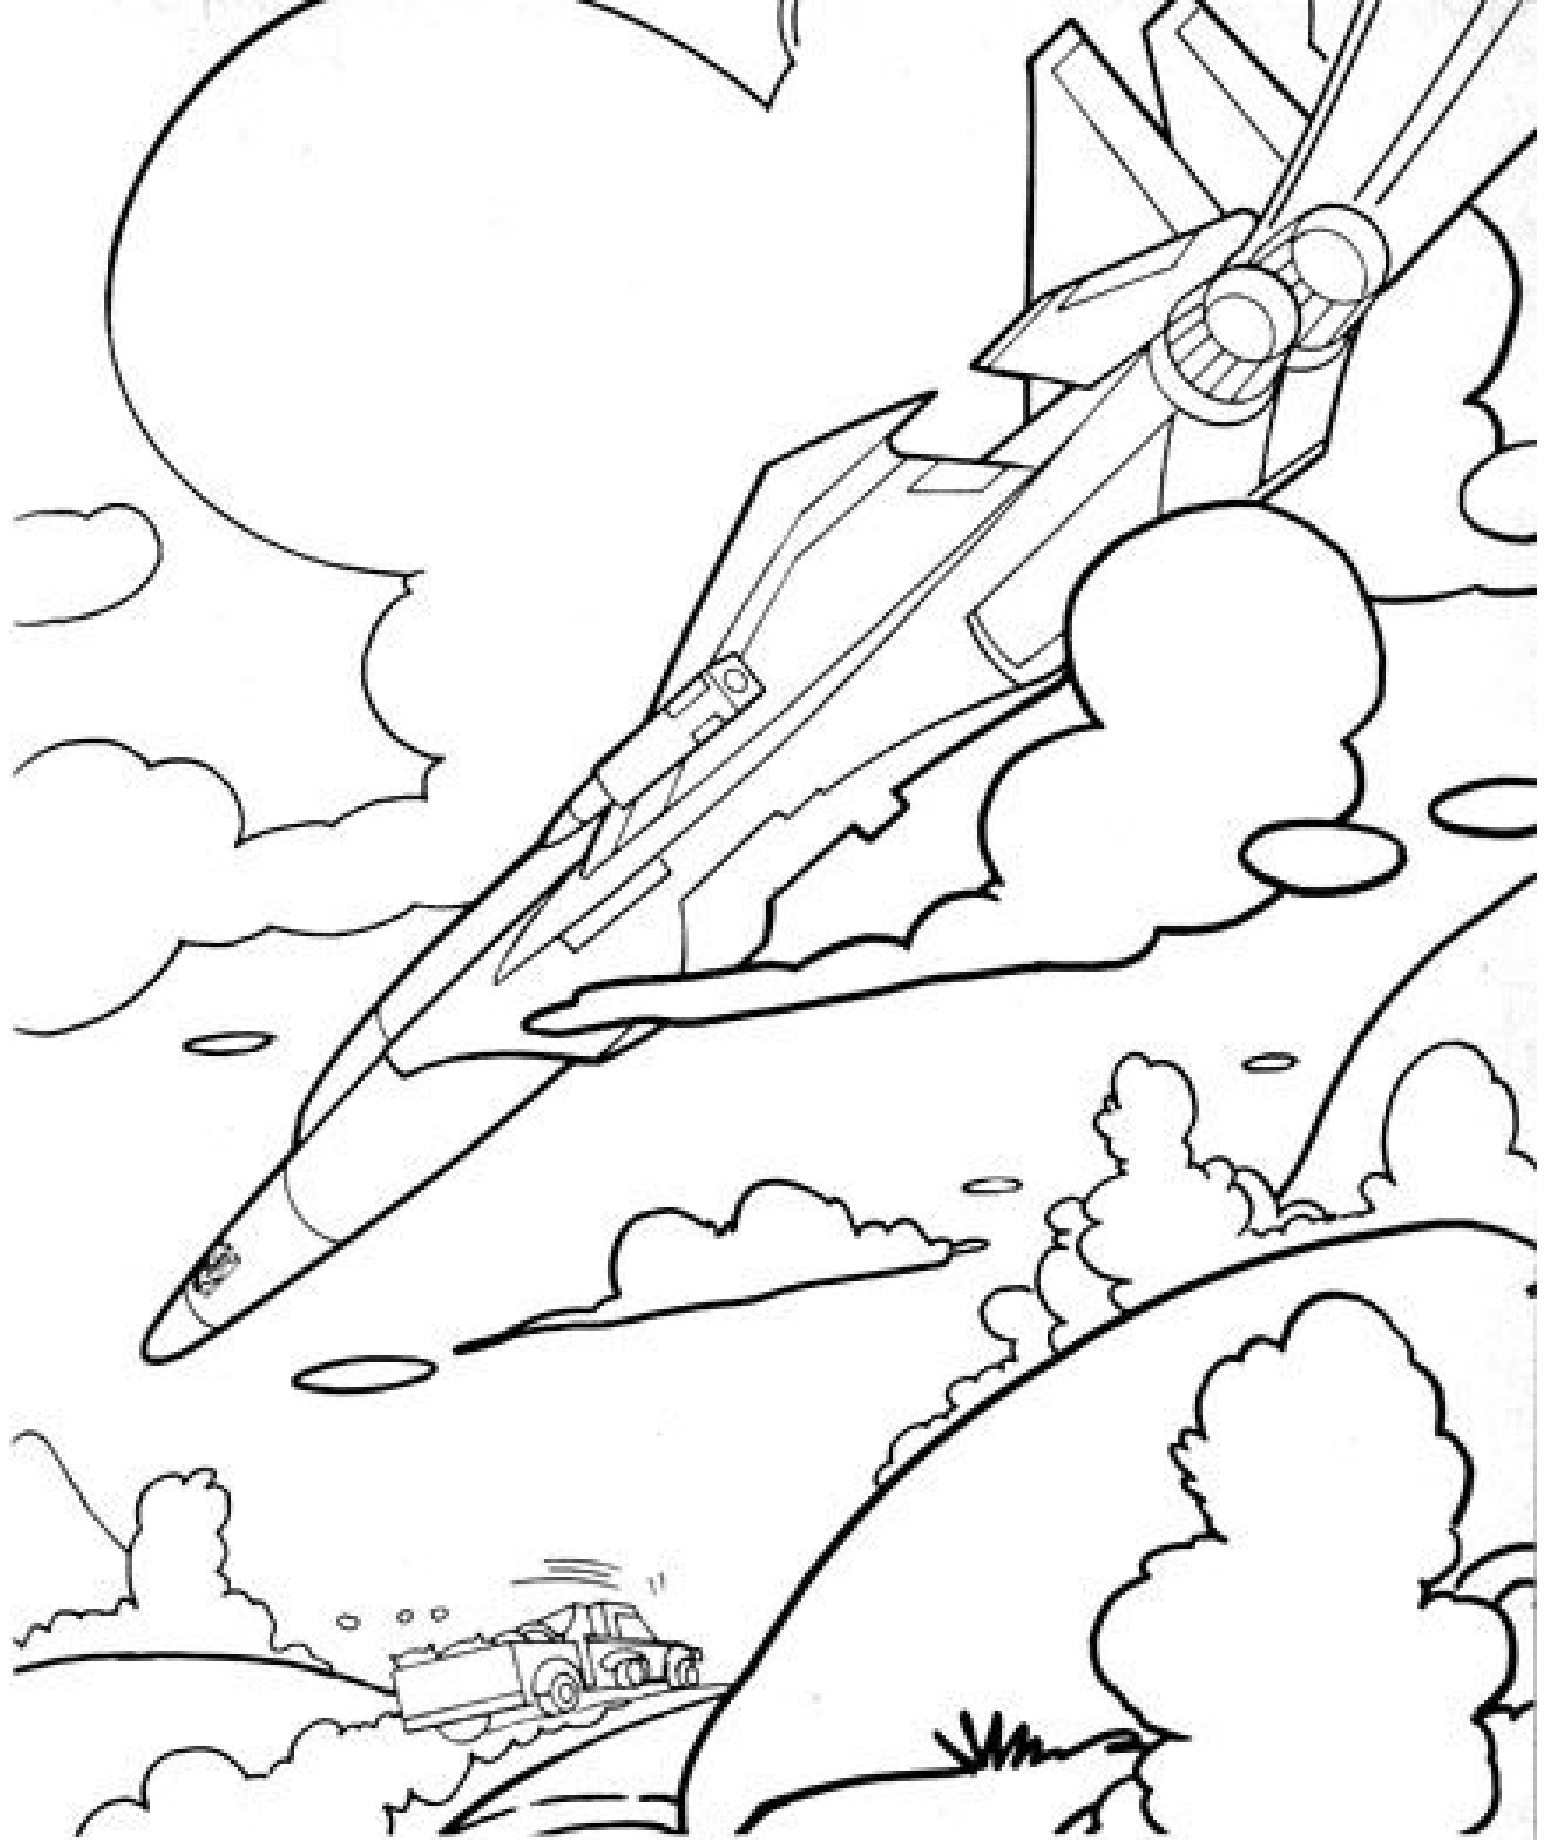

"It can flatten Autobots like Sideswipe into Autobot pancakes!" says Soundwave. "This is a great idea!"

"Now all we have to do is set a trap to catch them!" says Ravage. "And I have a plan!"

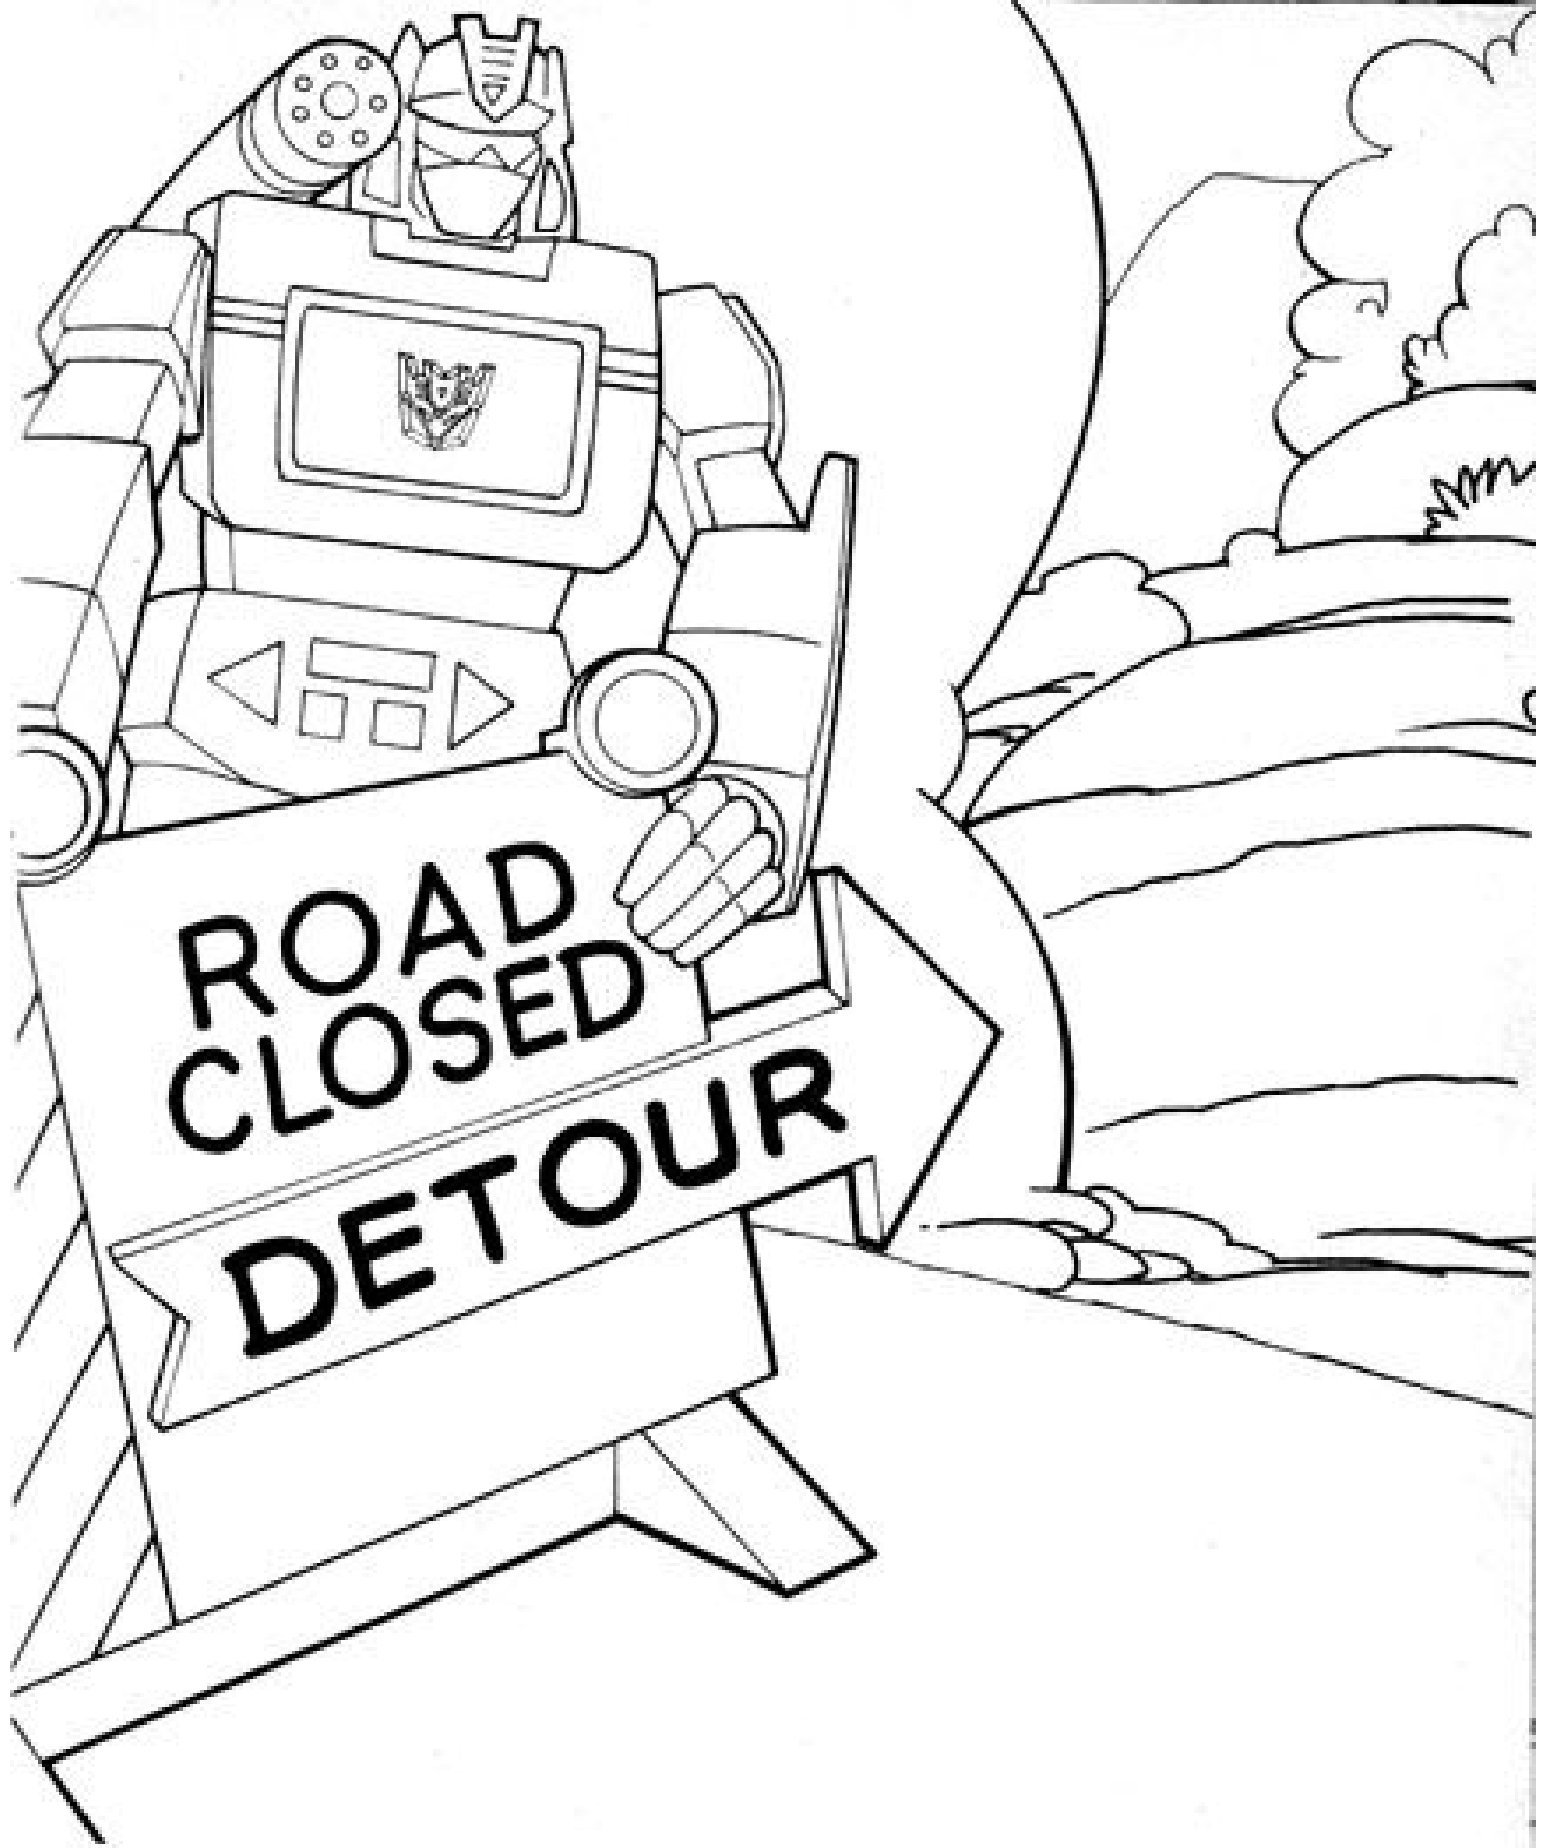

"The sale of these potatoes will buy a lot of gas and oil for the Autobots!"
says Gears.

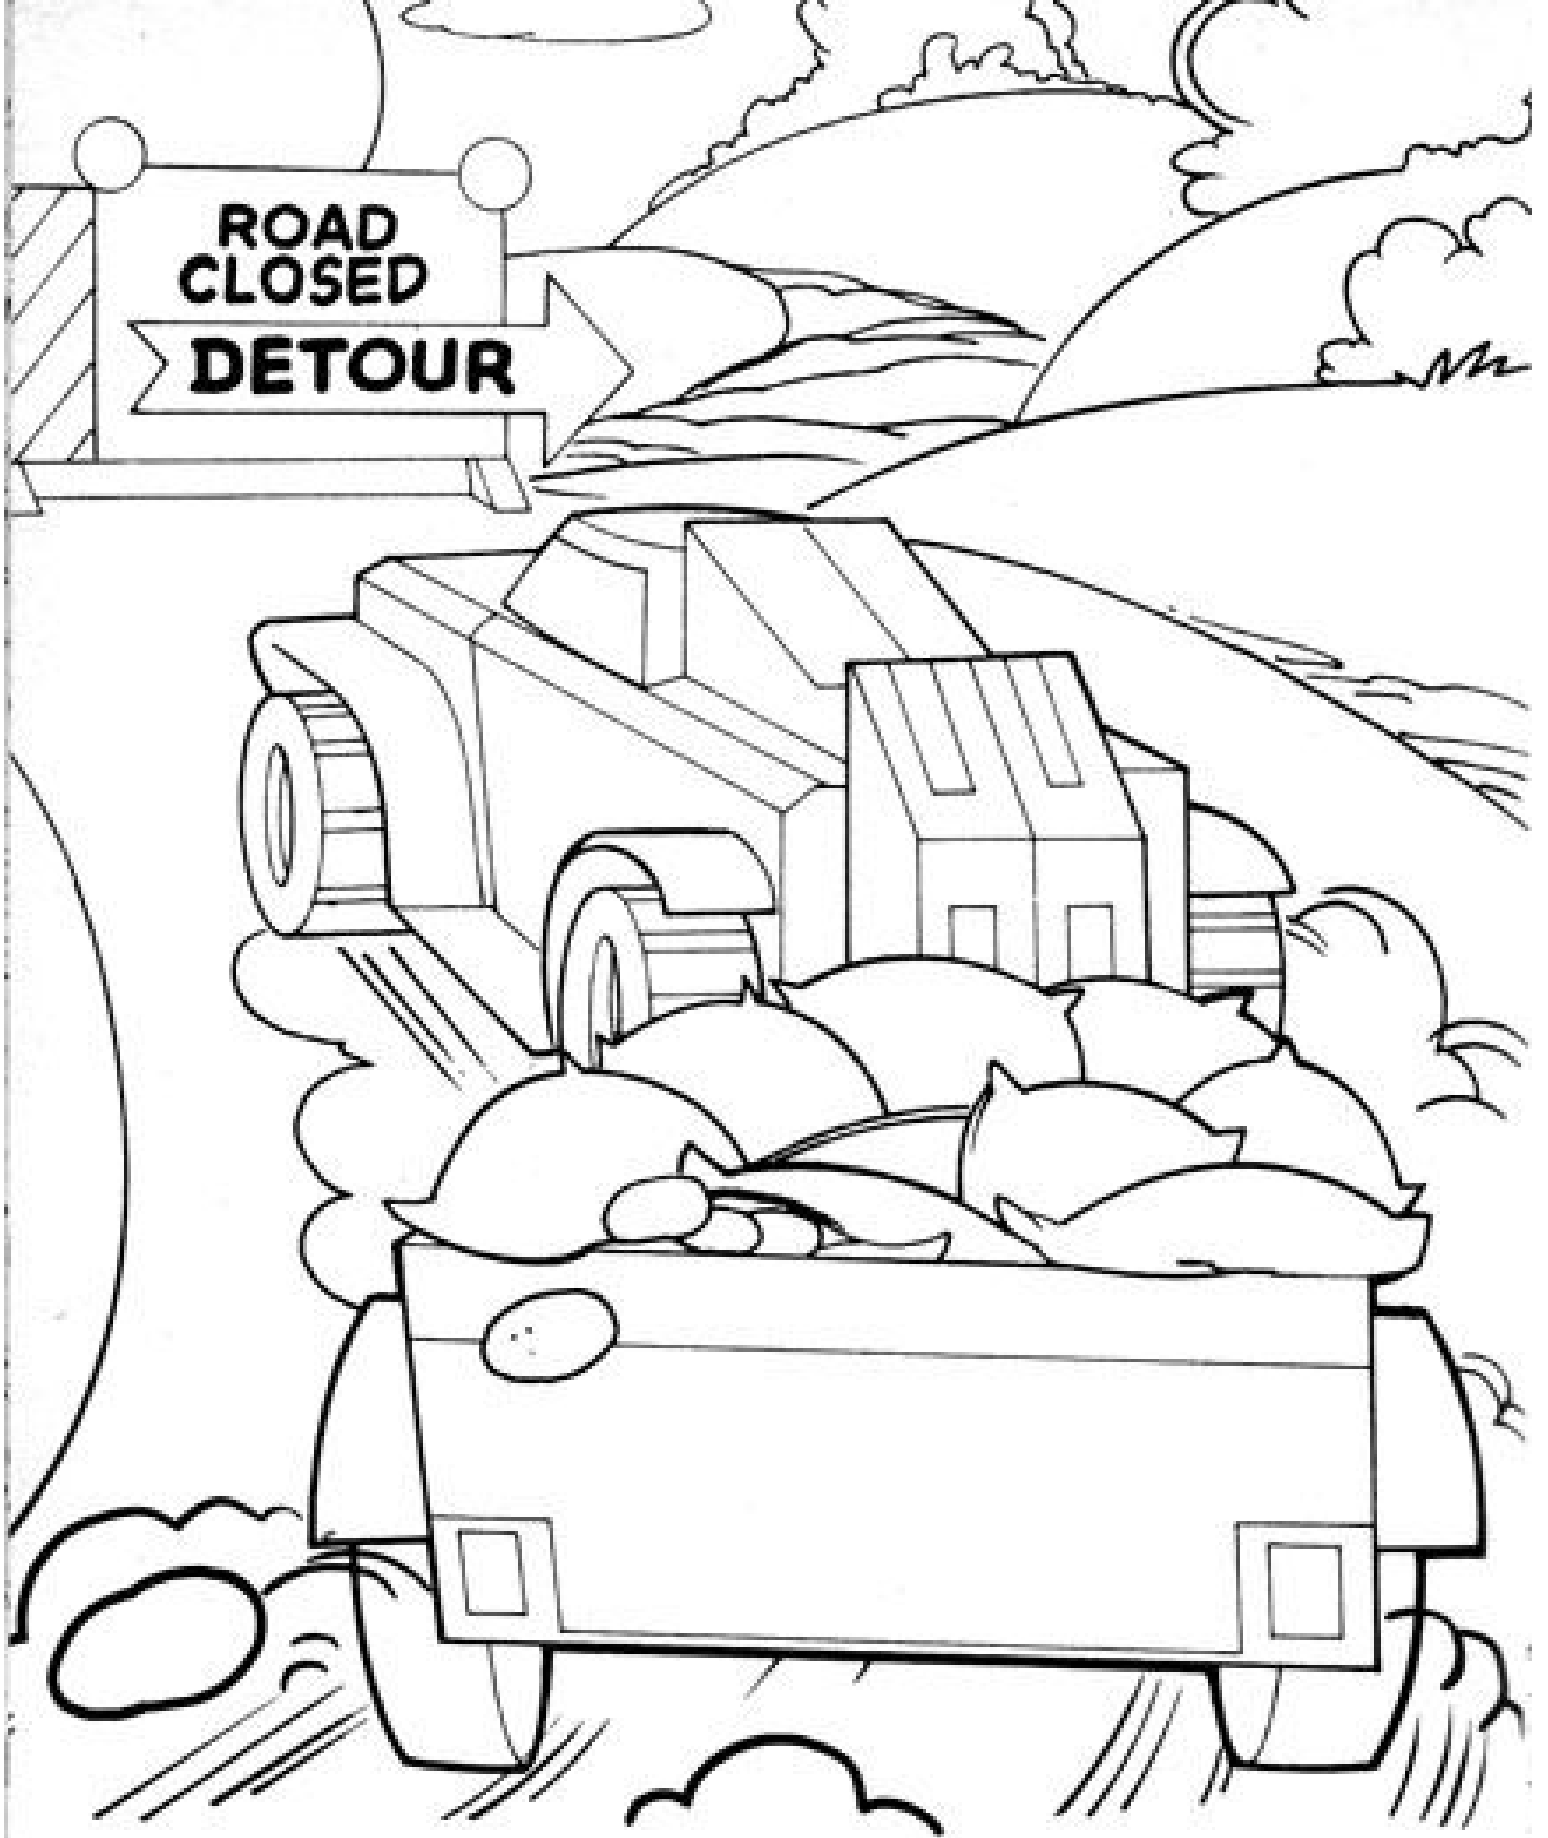

"There is Gears!" says Thundercracker. "Now to tell Soundwave!"

"Gears is coming!" says Thundercracker. "My mechanical ears can hear anything!" says Soundwave.

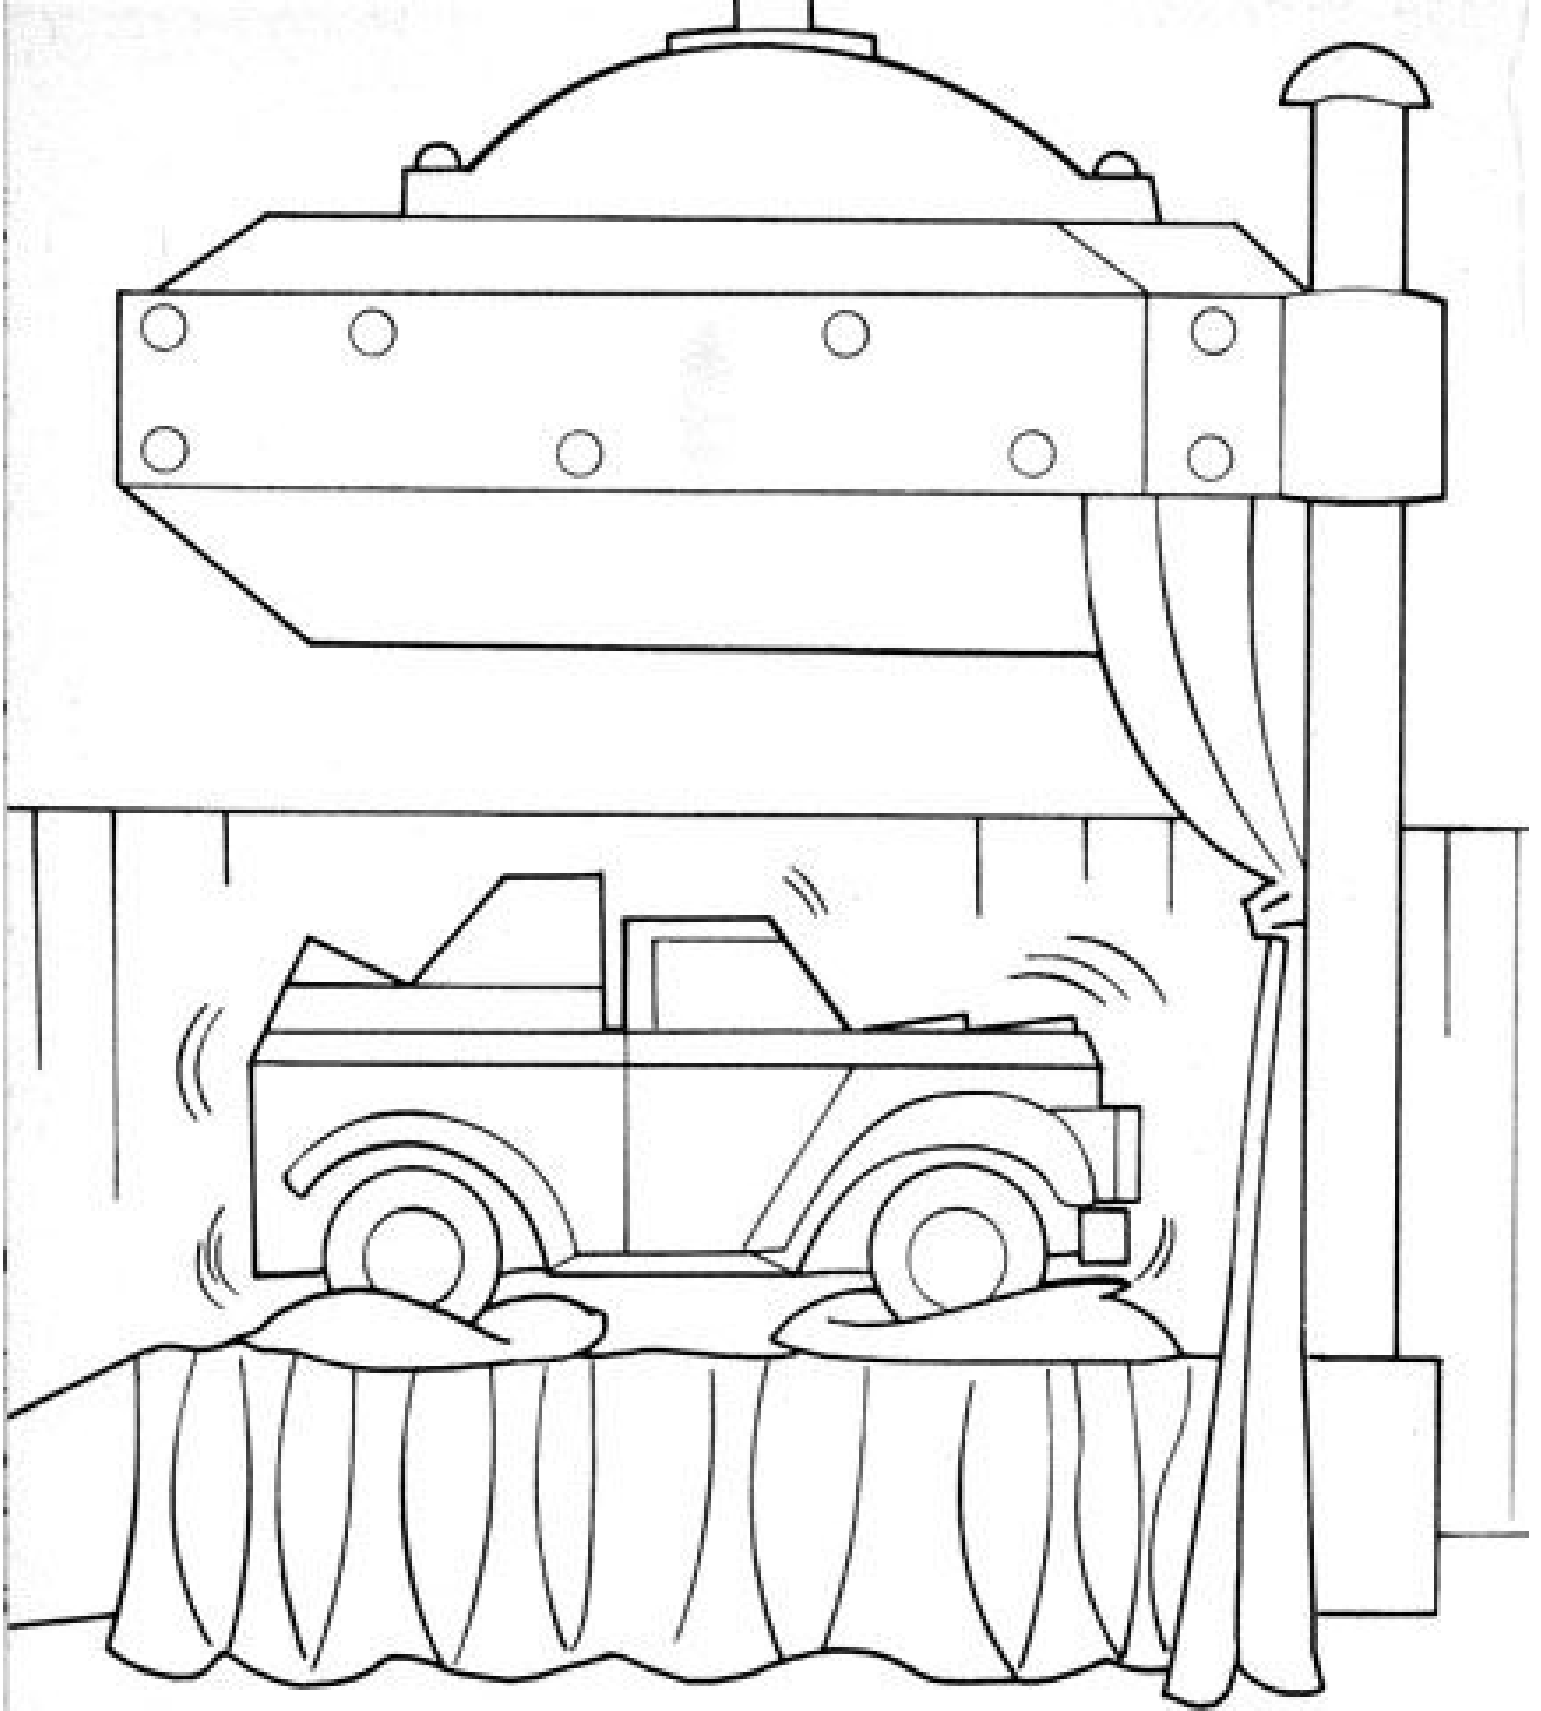

"This detour sign will put Gears on the road leading straight to our trap!"
says Soundwave.

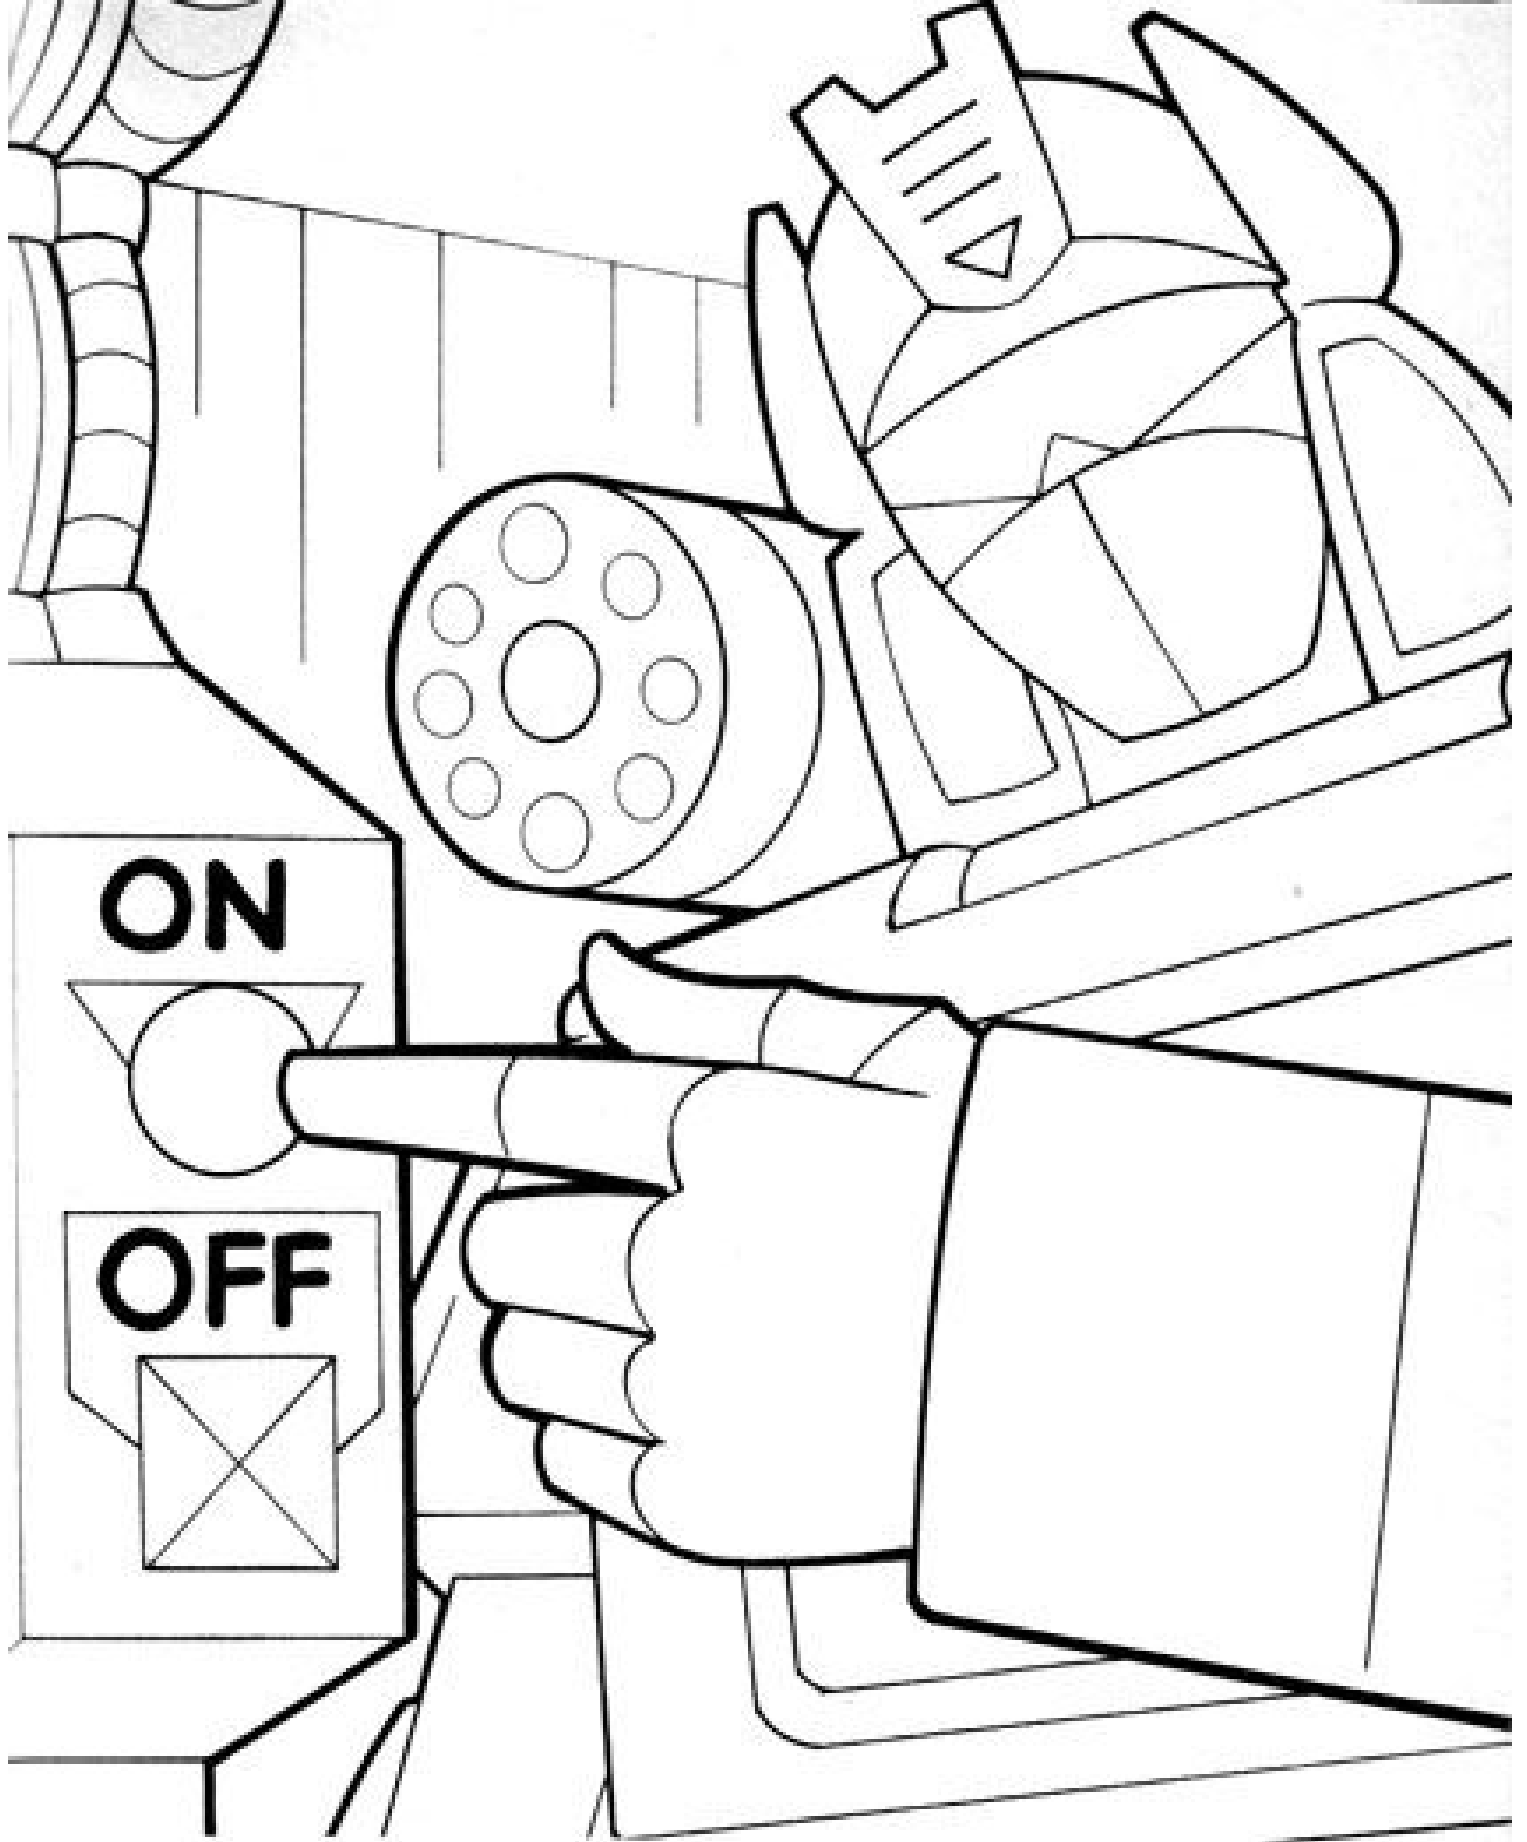

"The road ahead is closed!" says Gears. "I must take the detour road!"

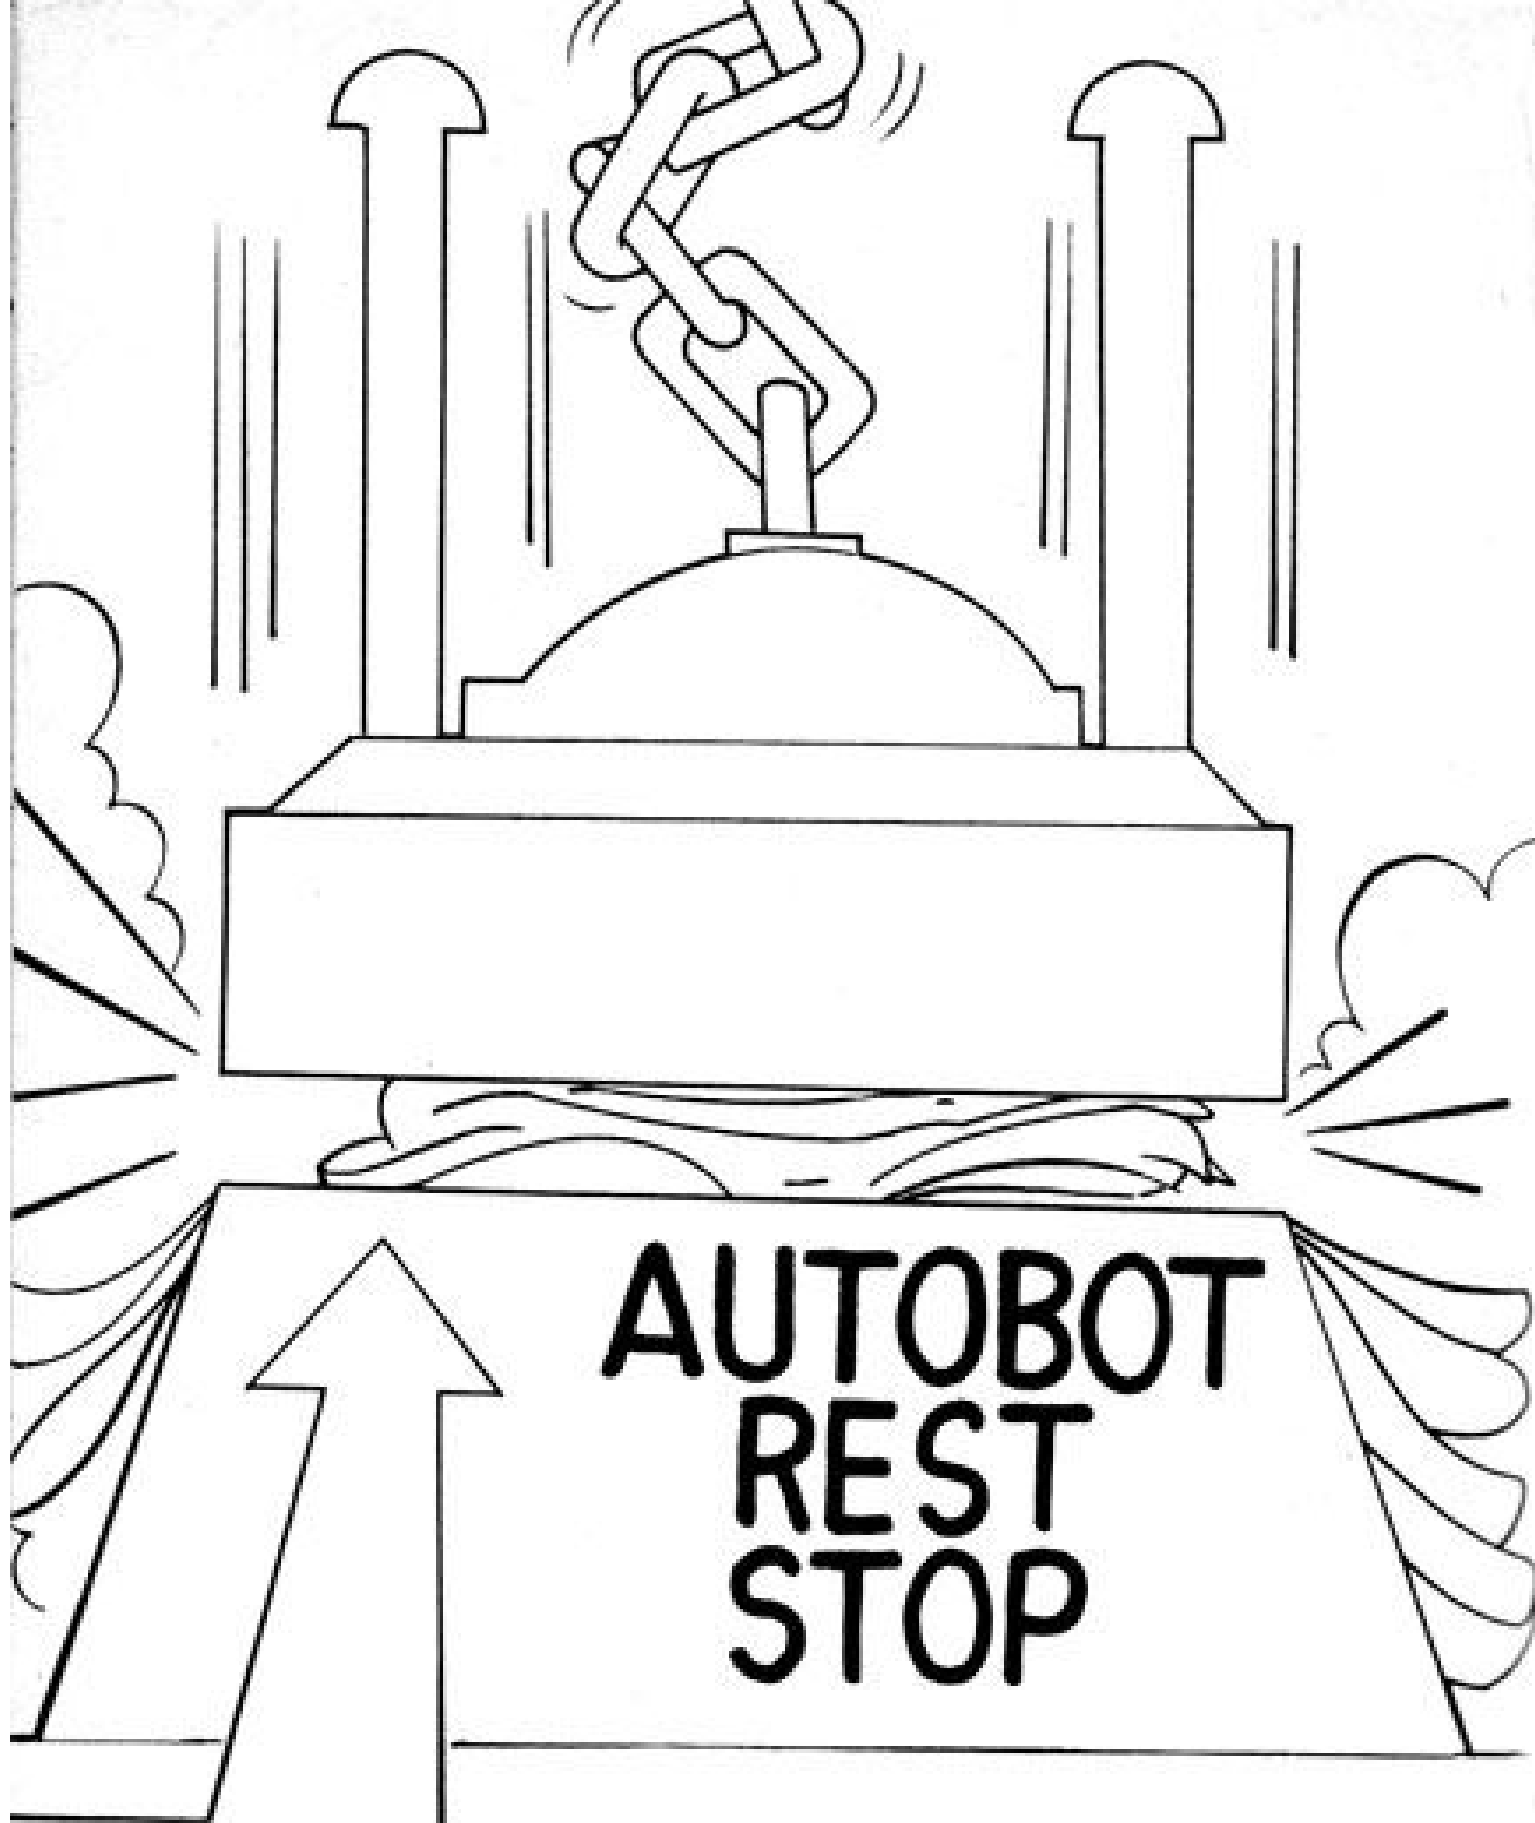

"That truck bed is just what I need to rest my wheels!" says Gears.

"Ah! I feel better already!" sighs Gears.

"Pleasant dreams, Gears! Ha! Ha! Ha!" laughs Soundwave.

CRASH!

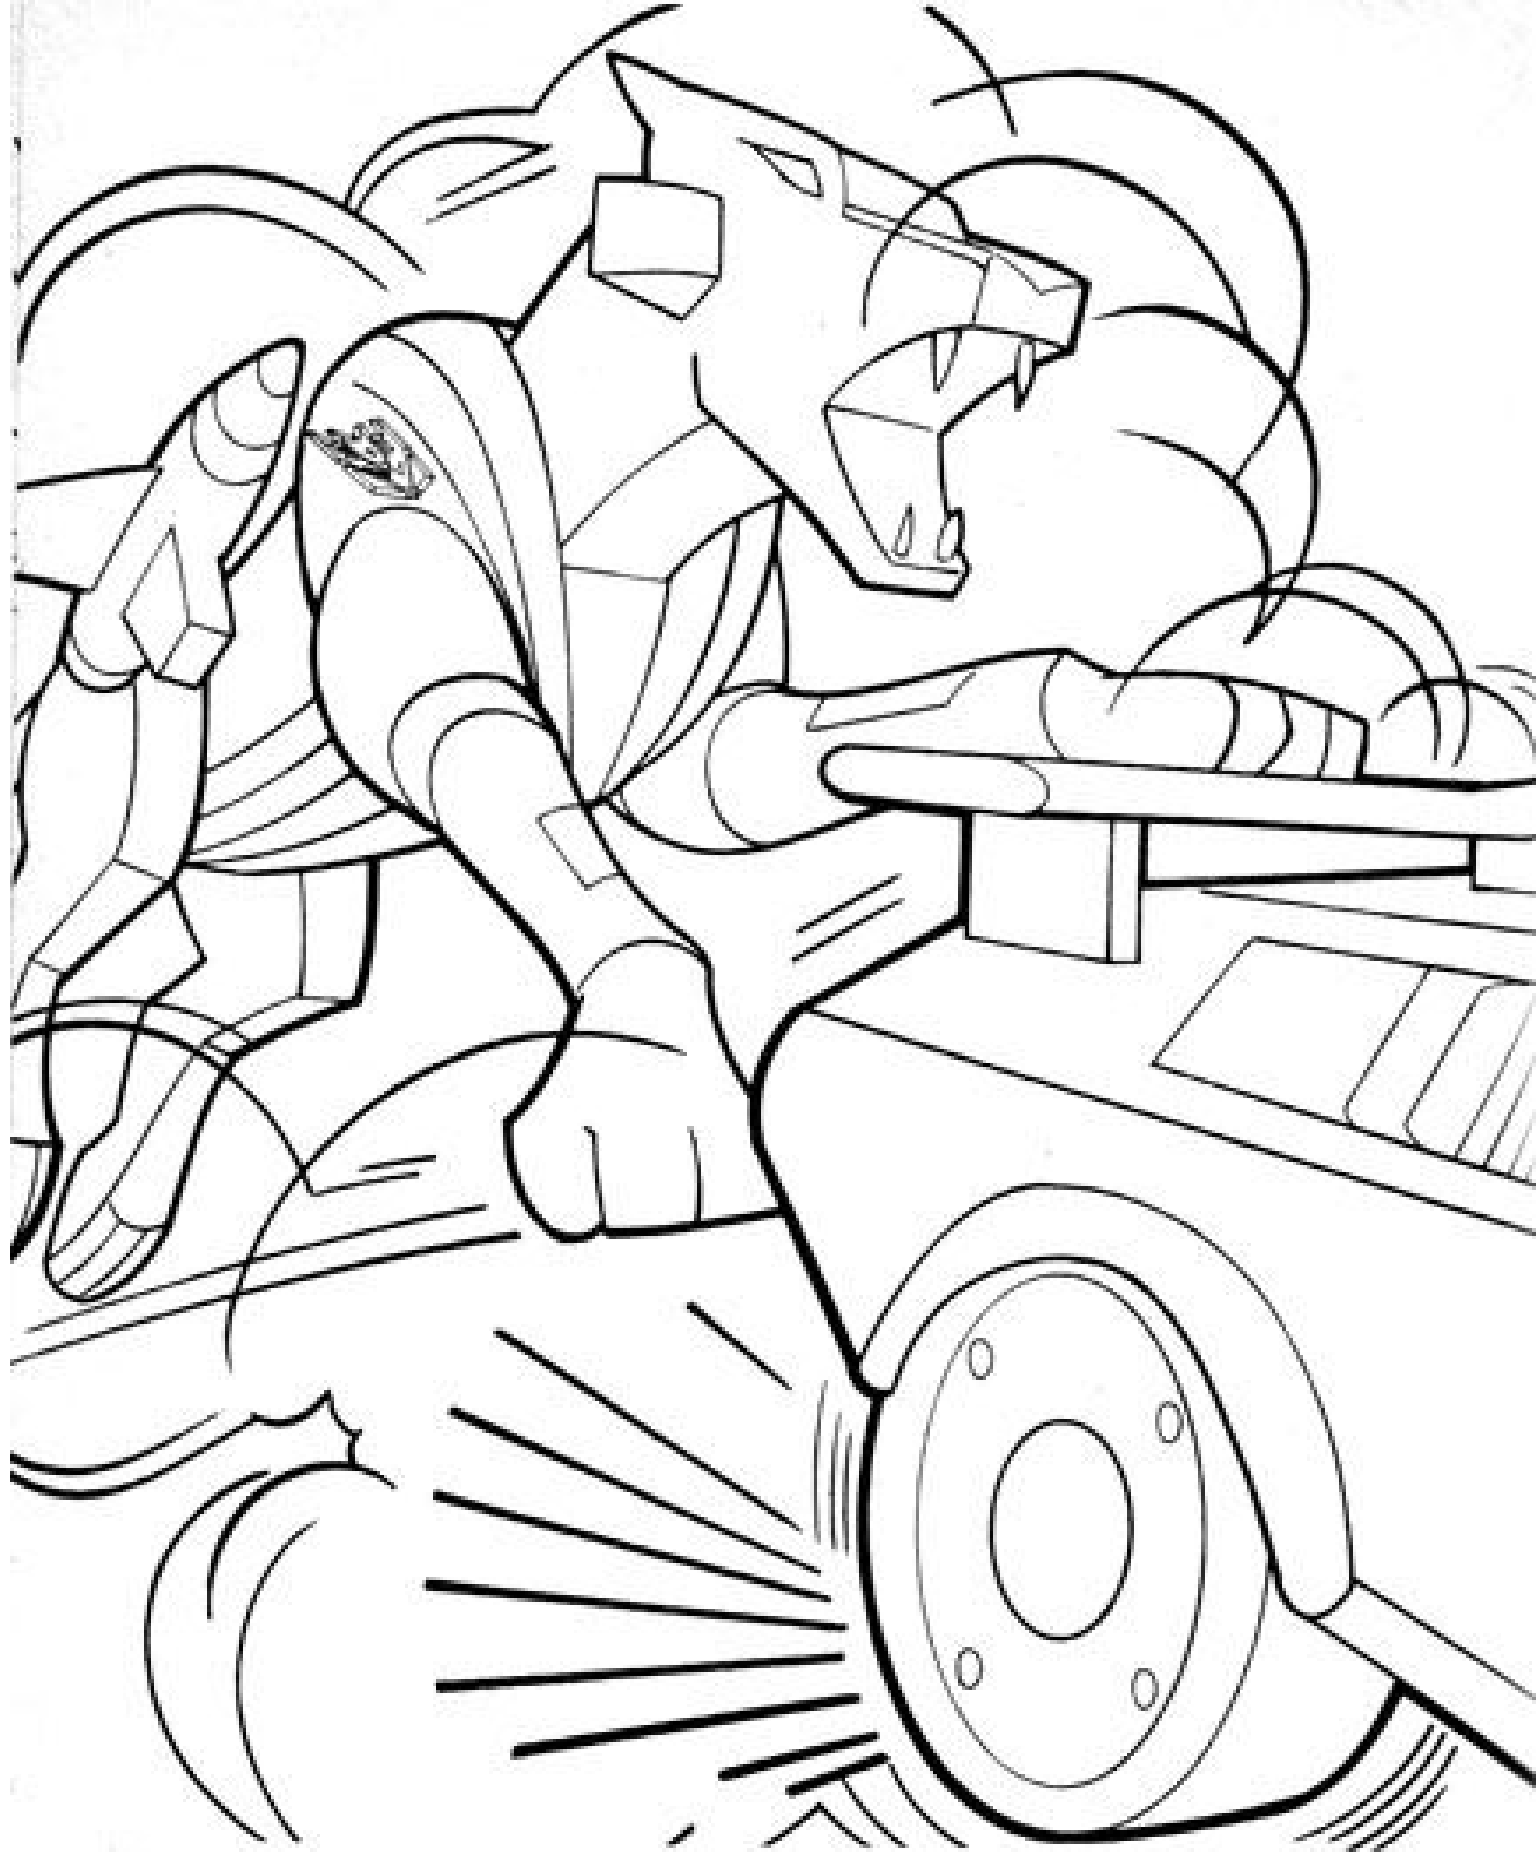

"We did it! Now to get the rest of the Autobots! Soon the Decepticons will rule earth!"

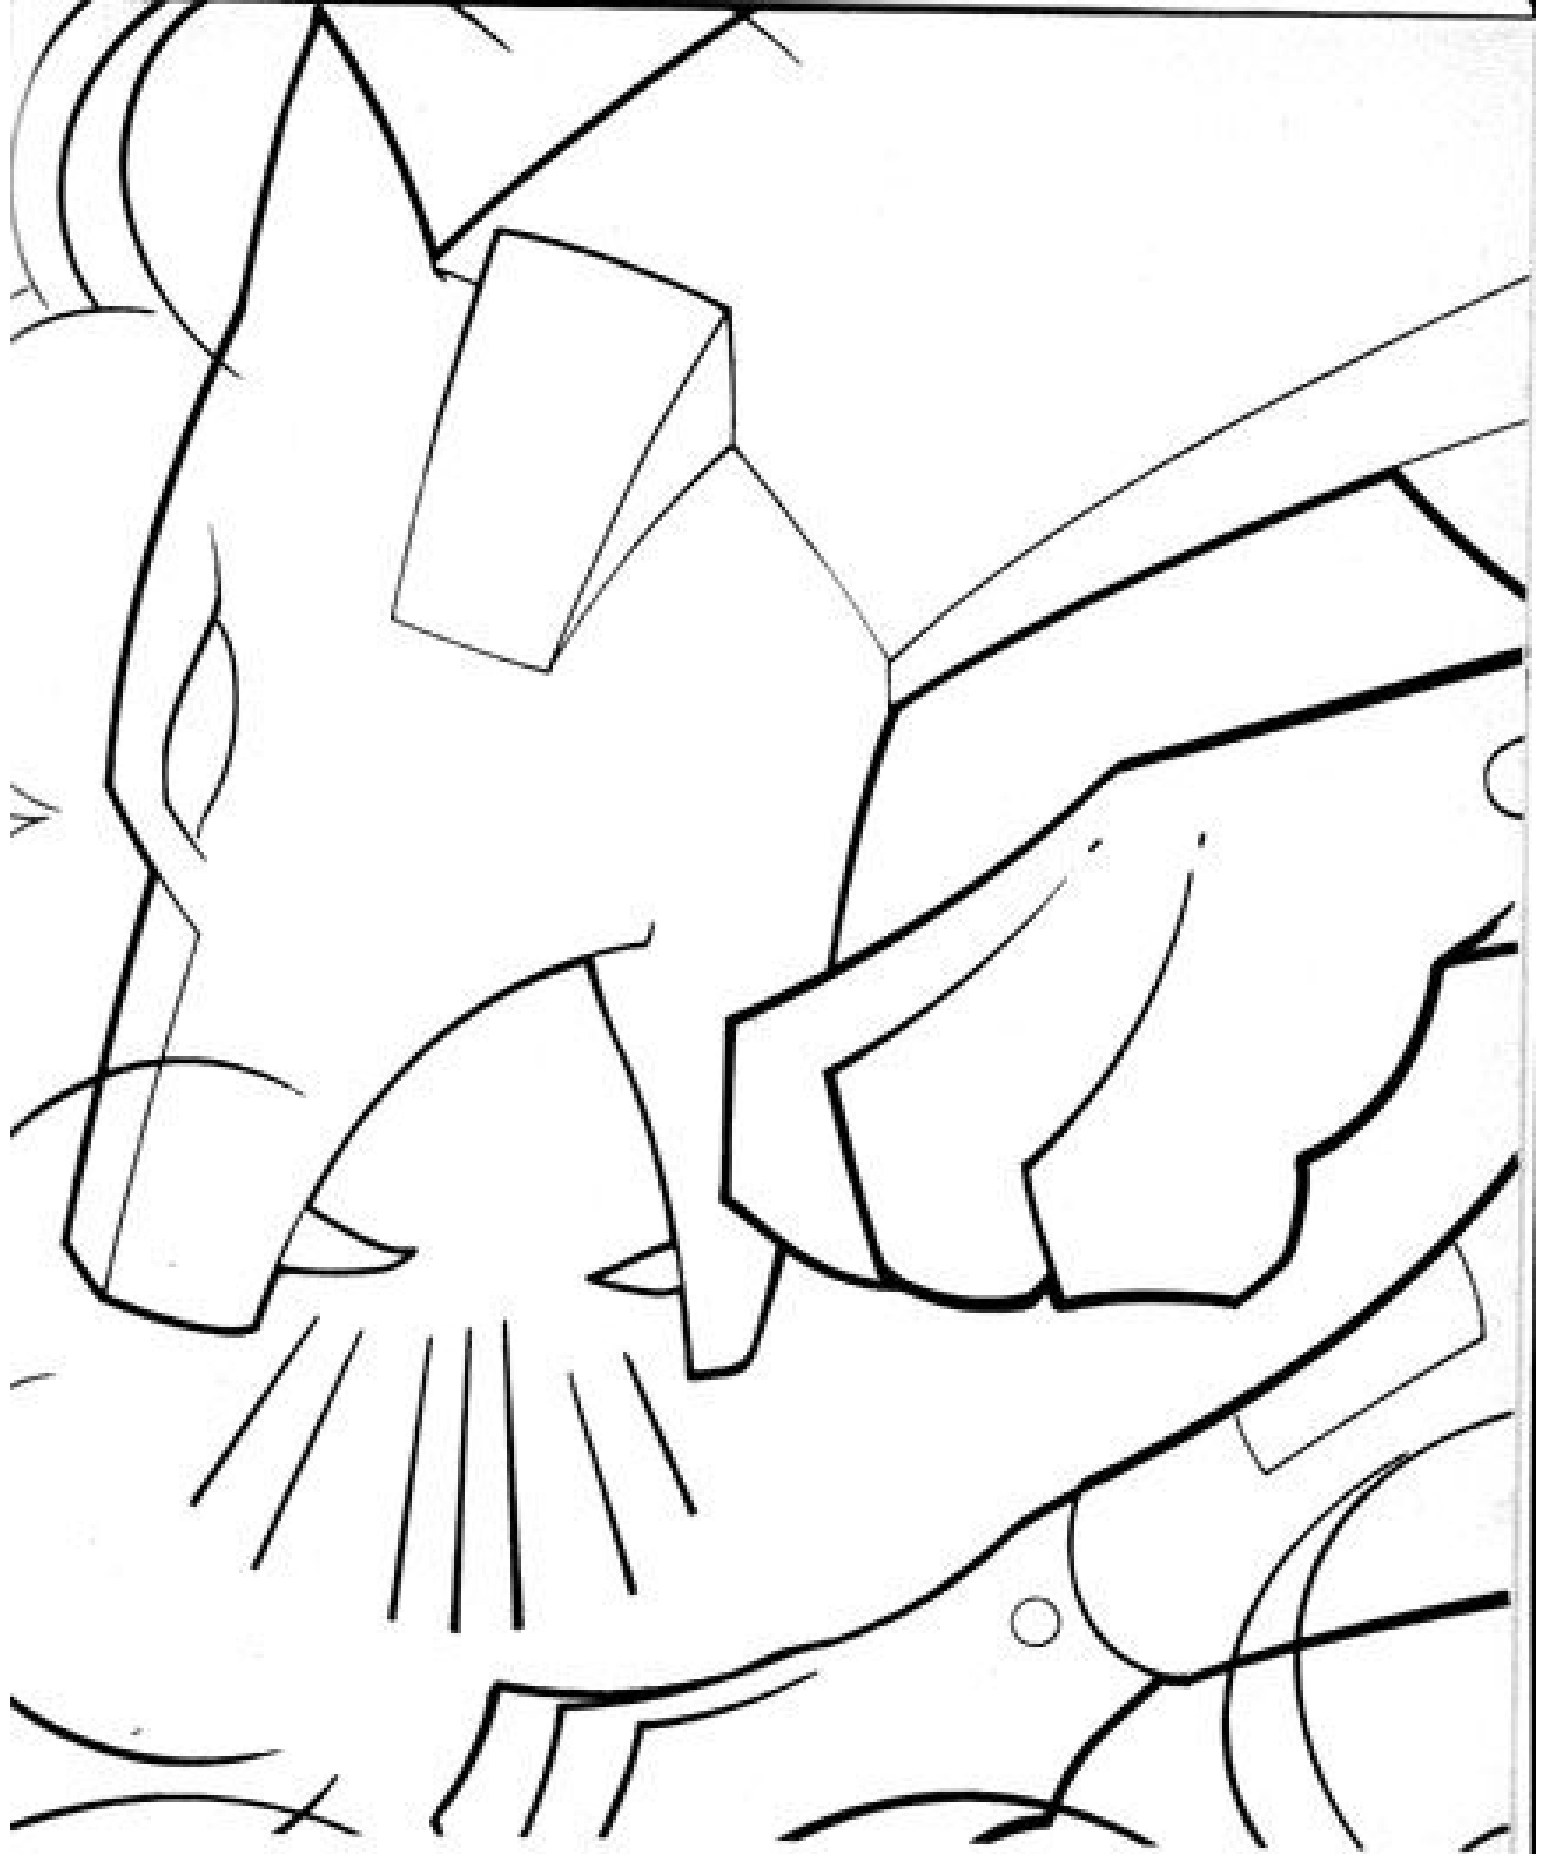

"No way, Decepticons! Earth will never fall under your evil power! The Autobots will always stop you!"

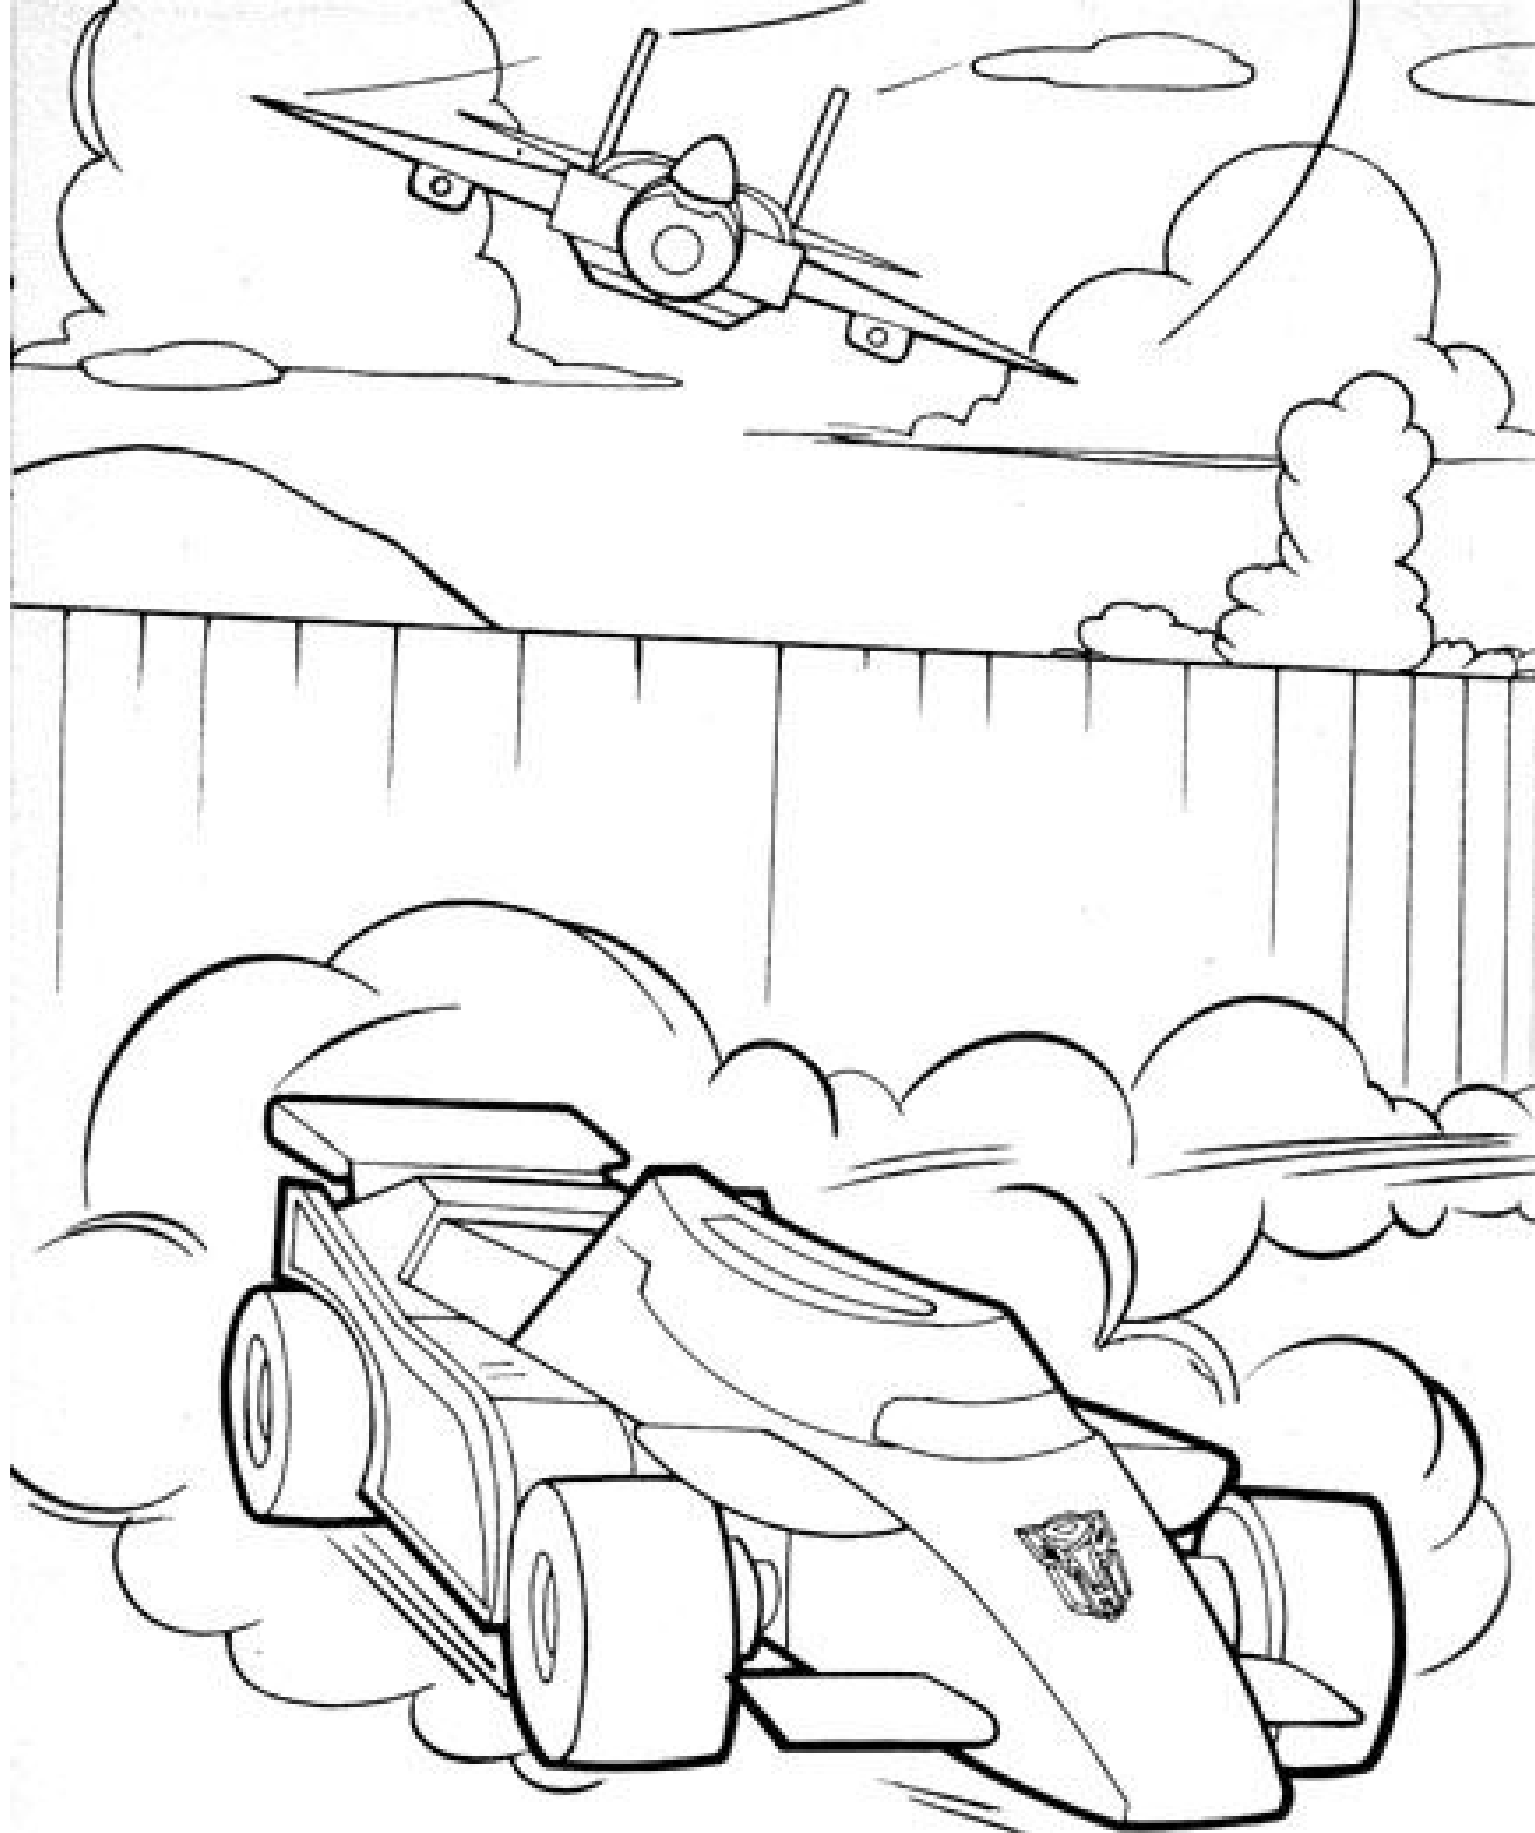

"I'll tear you apart, Autobots!" says Ravage.

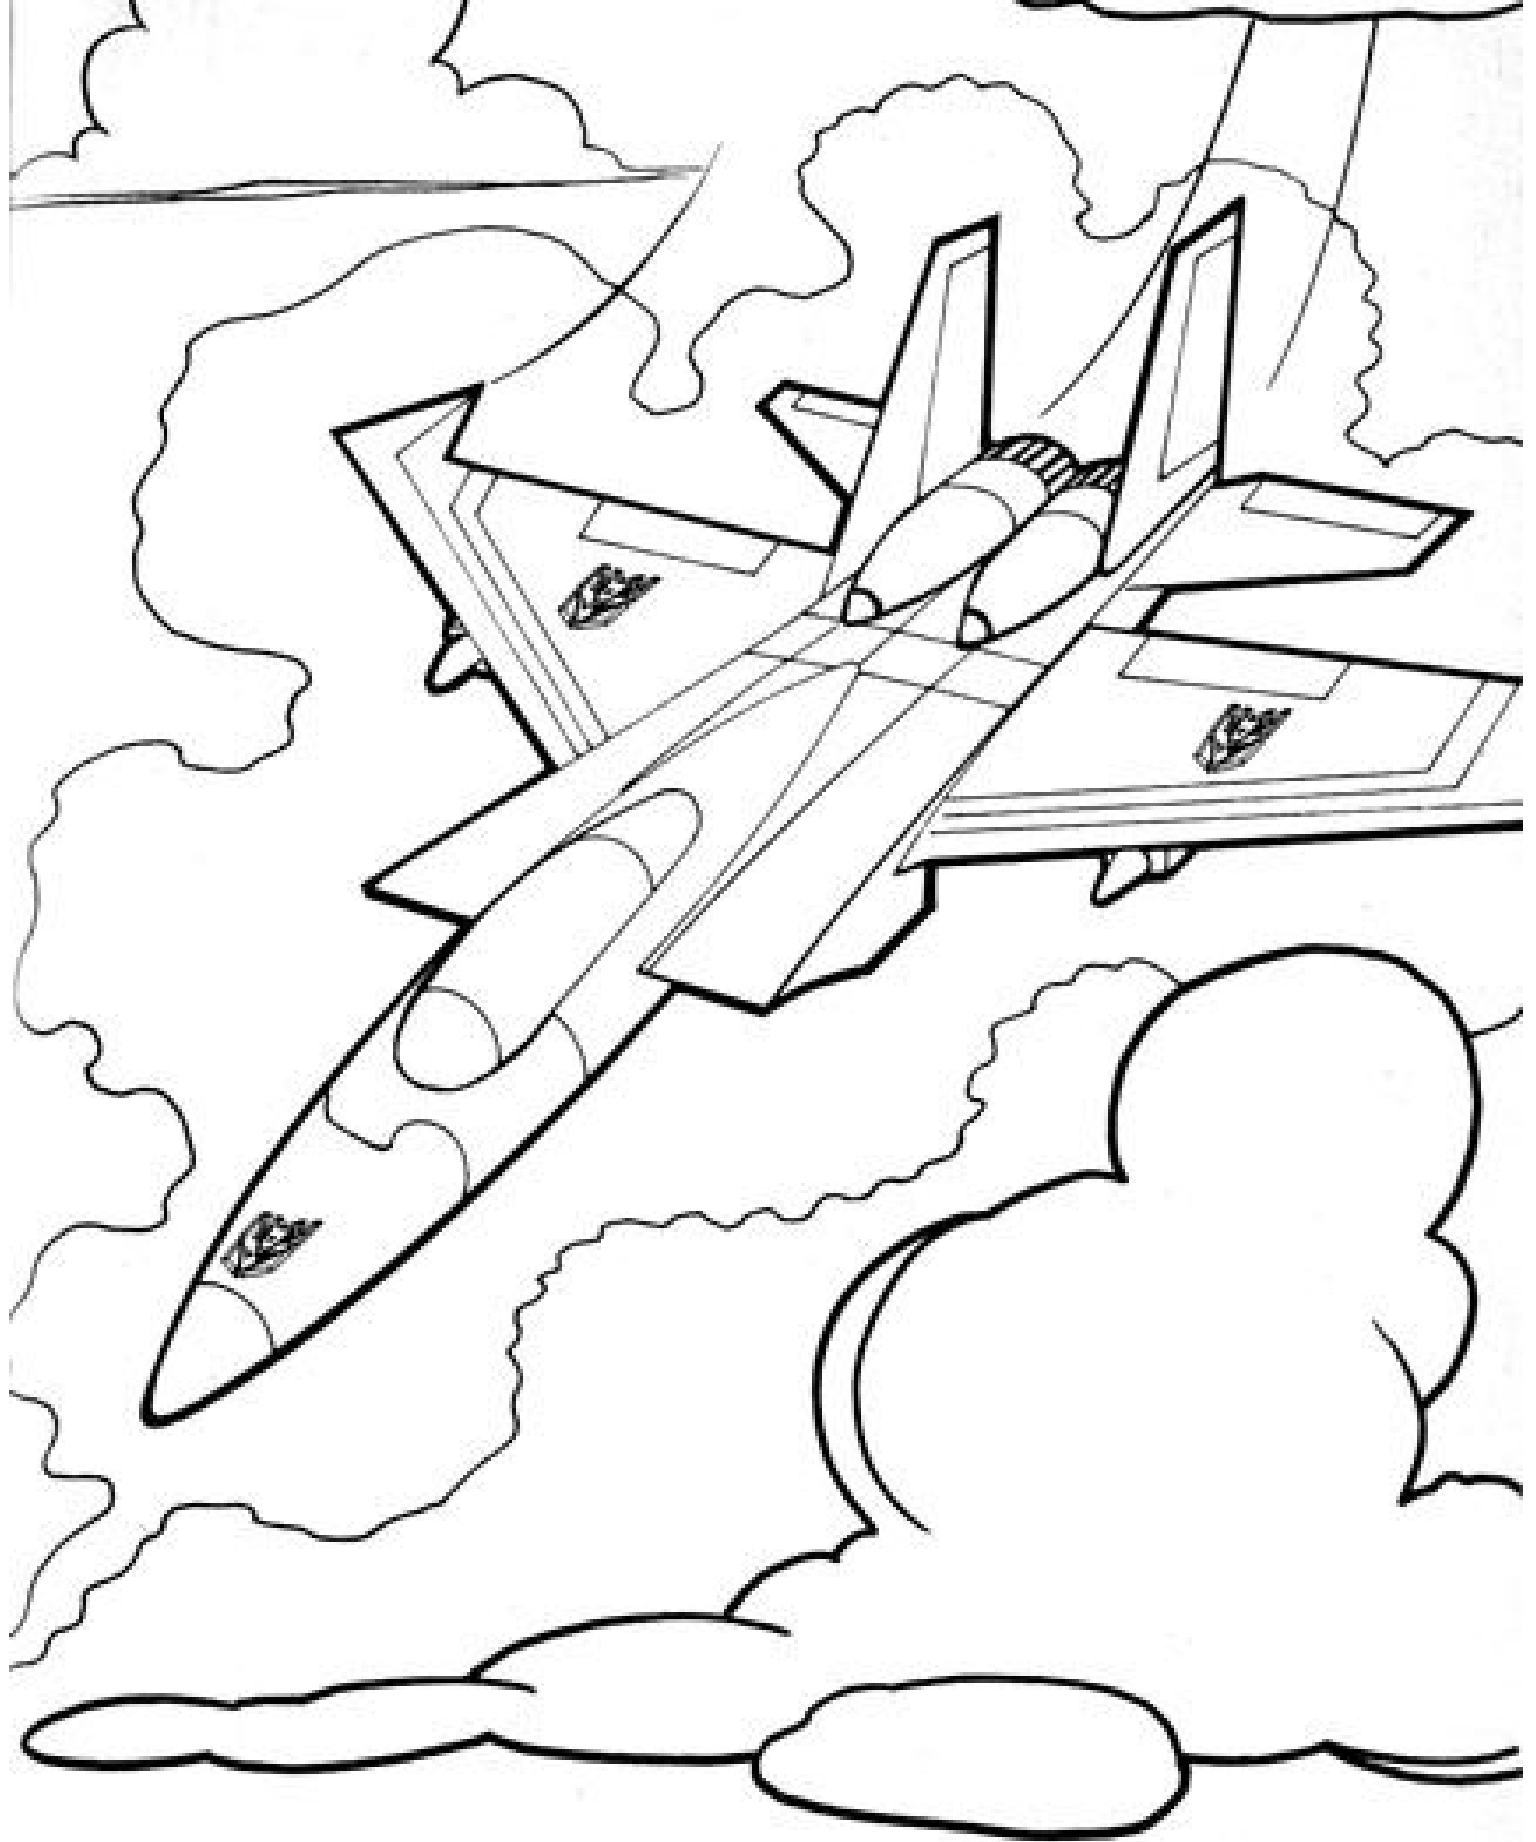

"And you can eat my dust, Ravage!" says Sideswipe.

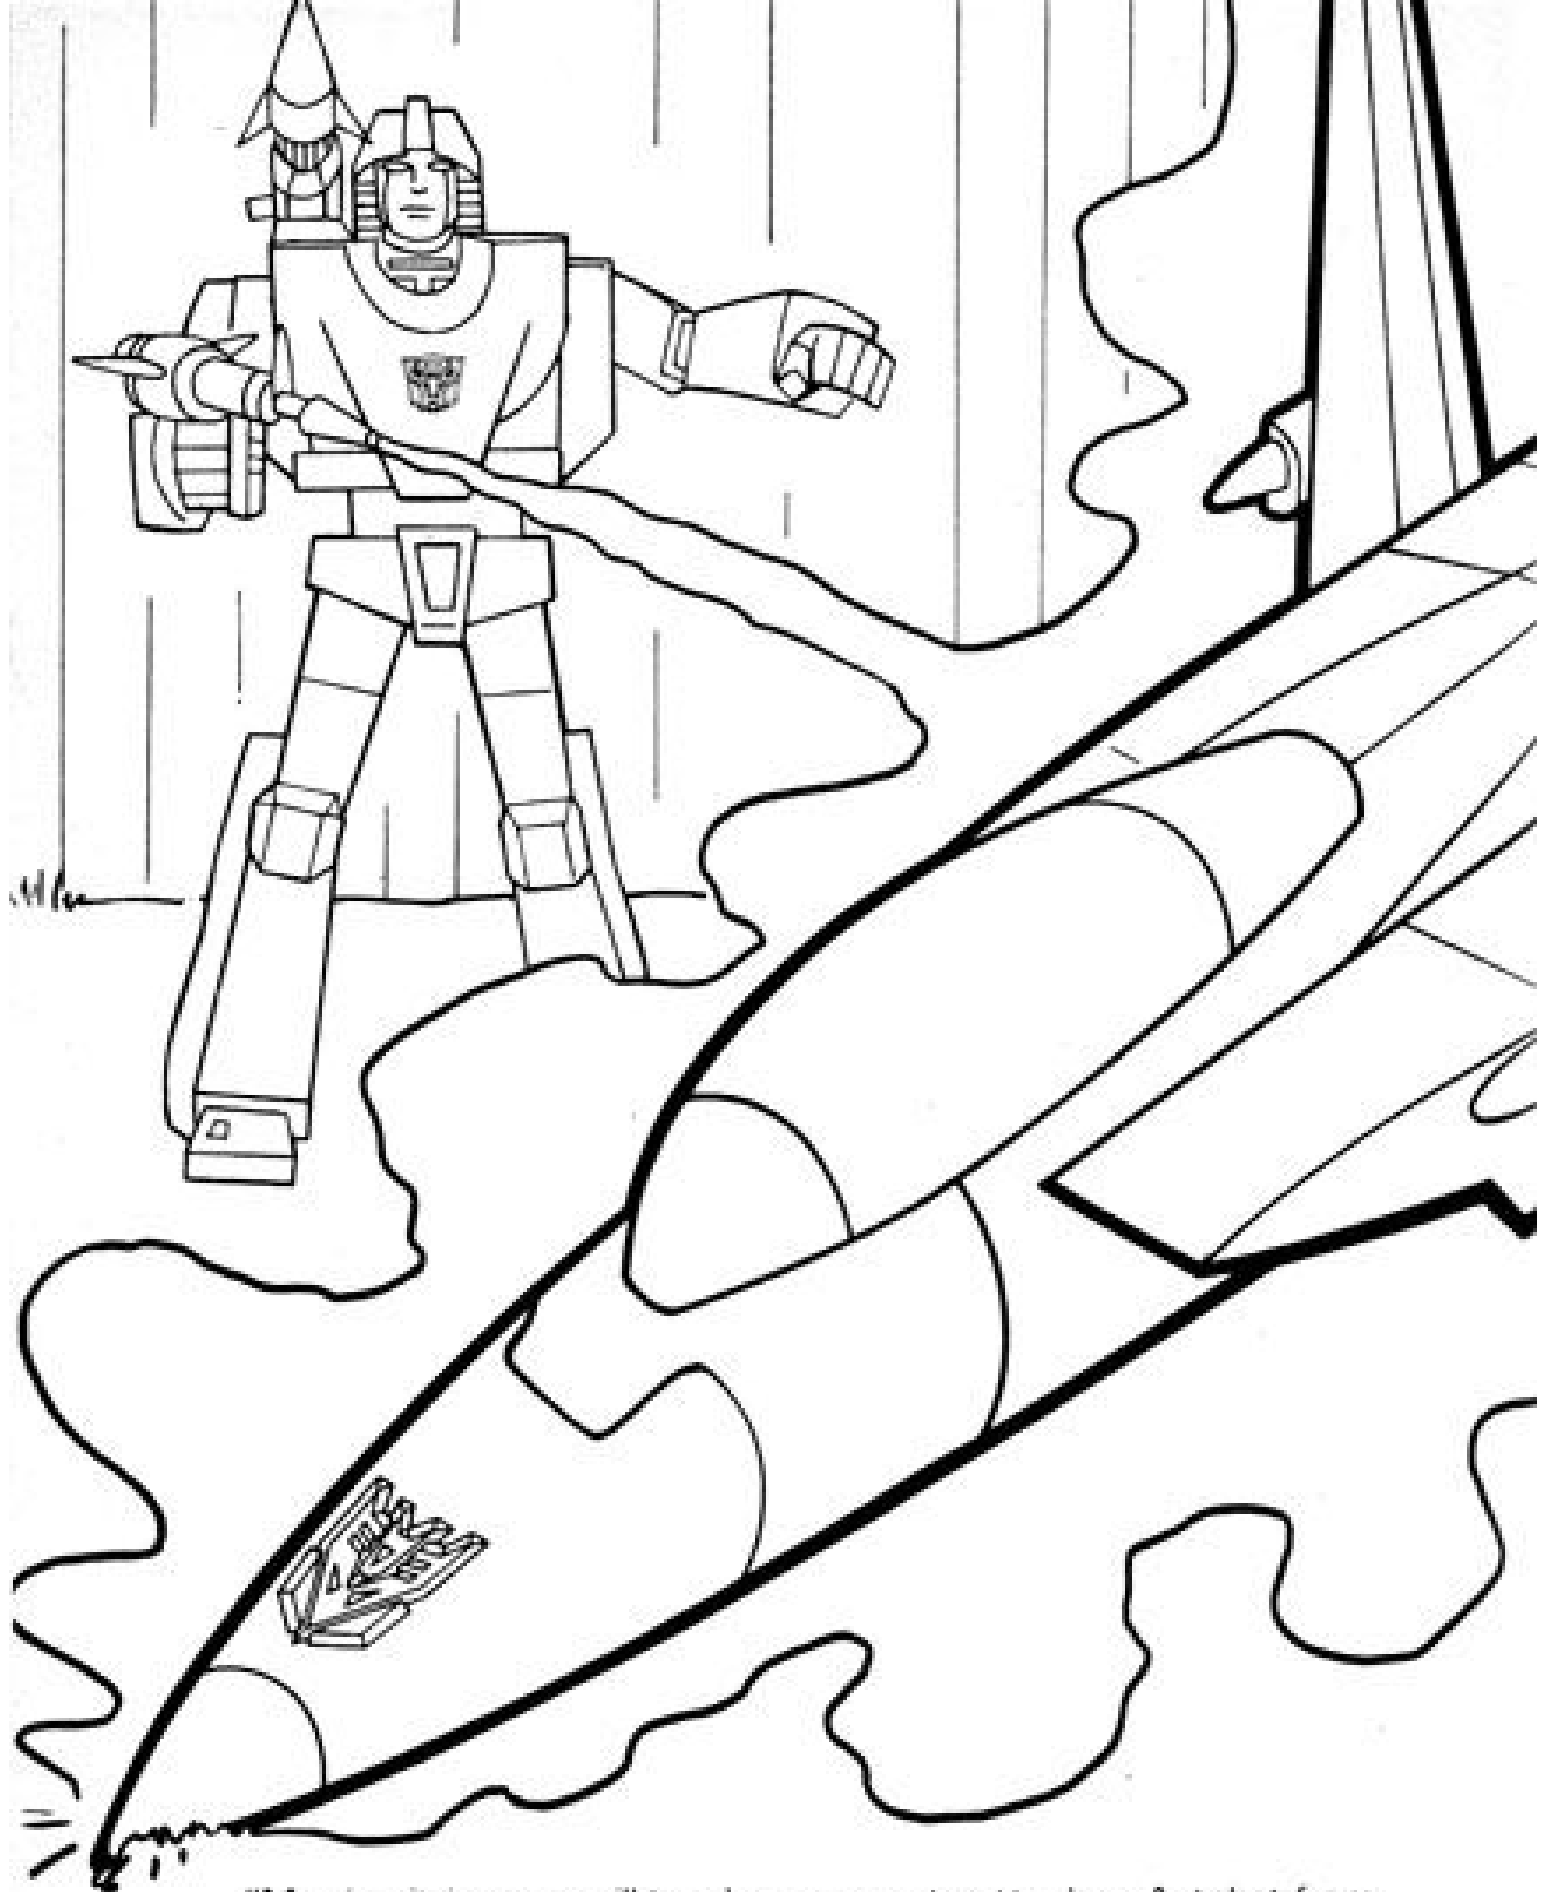

"Cough! Cough! Oh no! The dust is getting into my joints!" says Ravage.
"I can't move!"

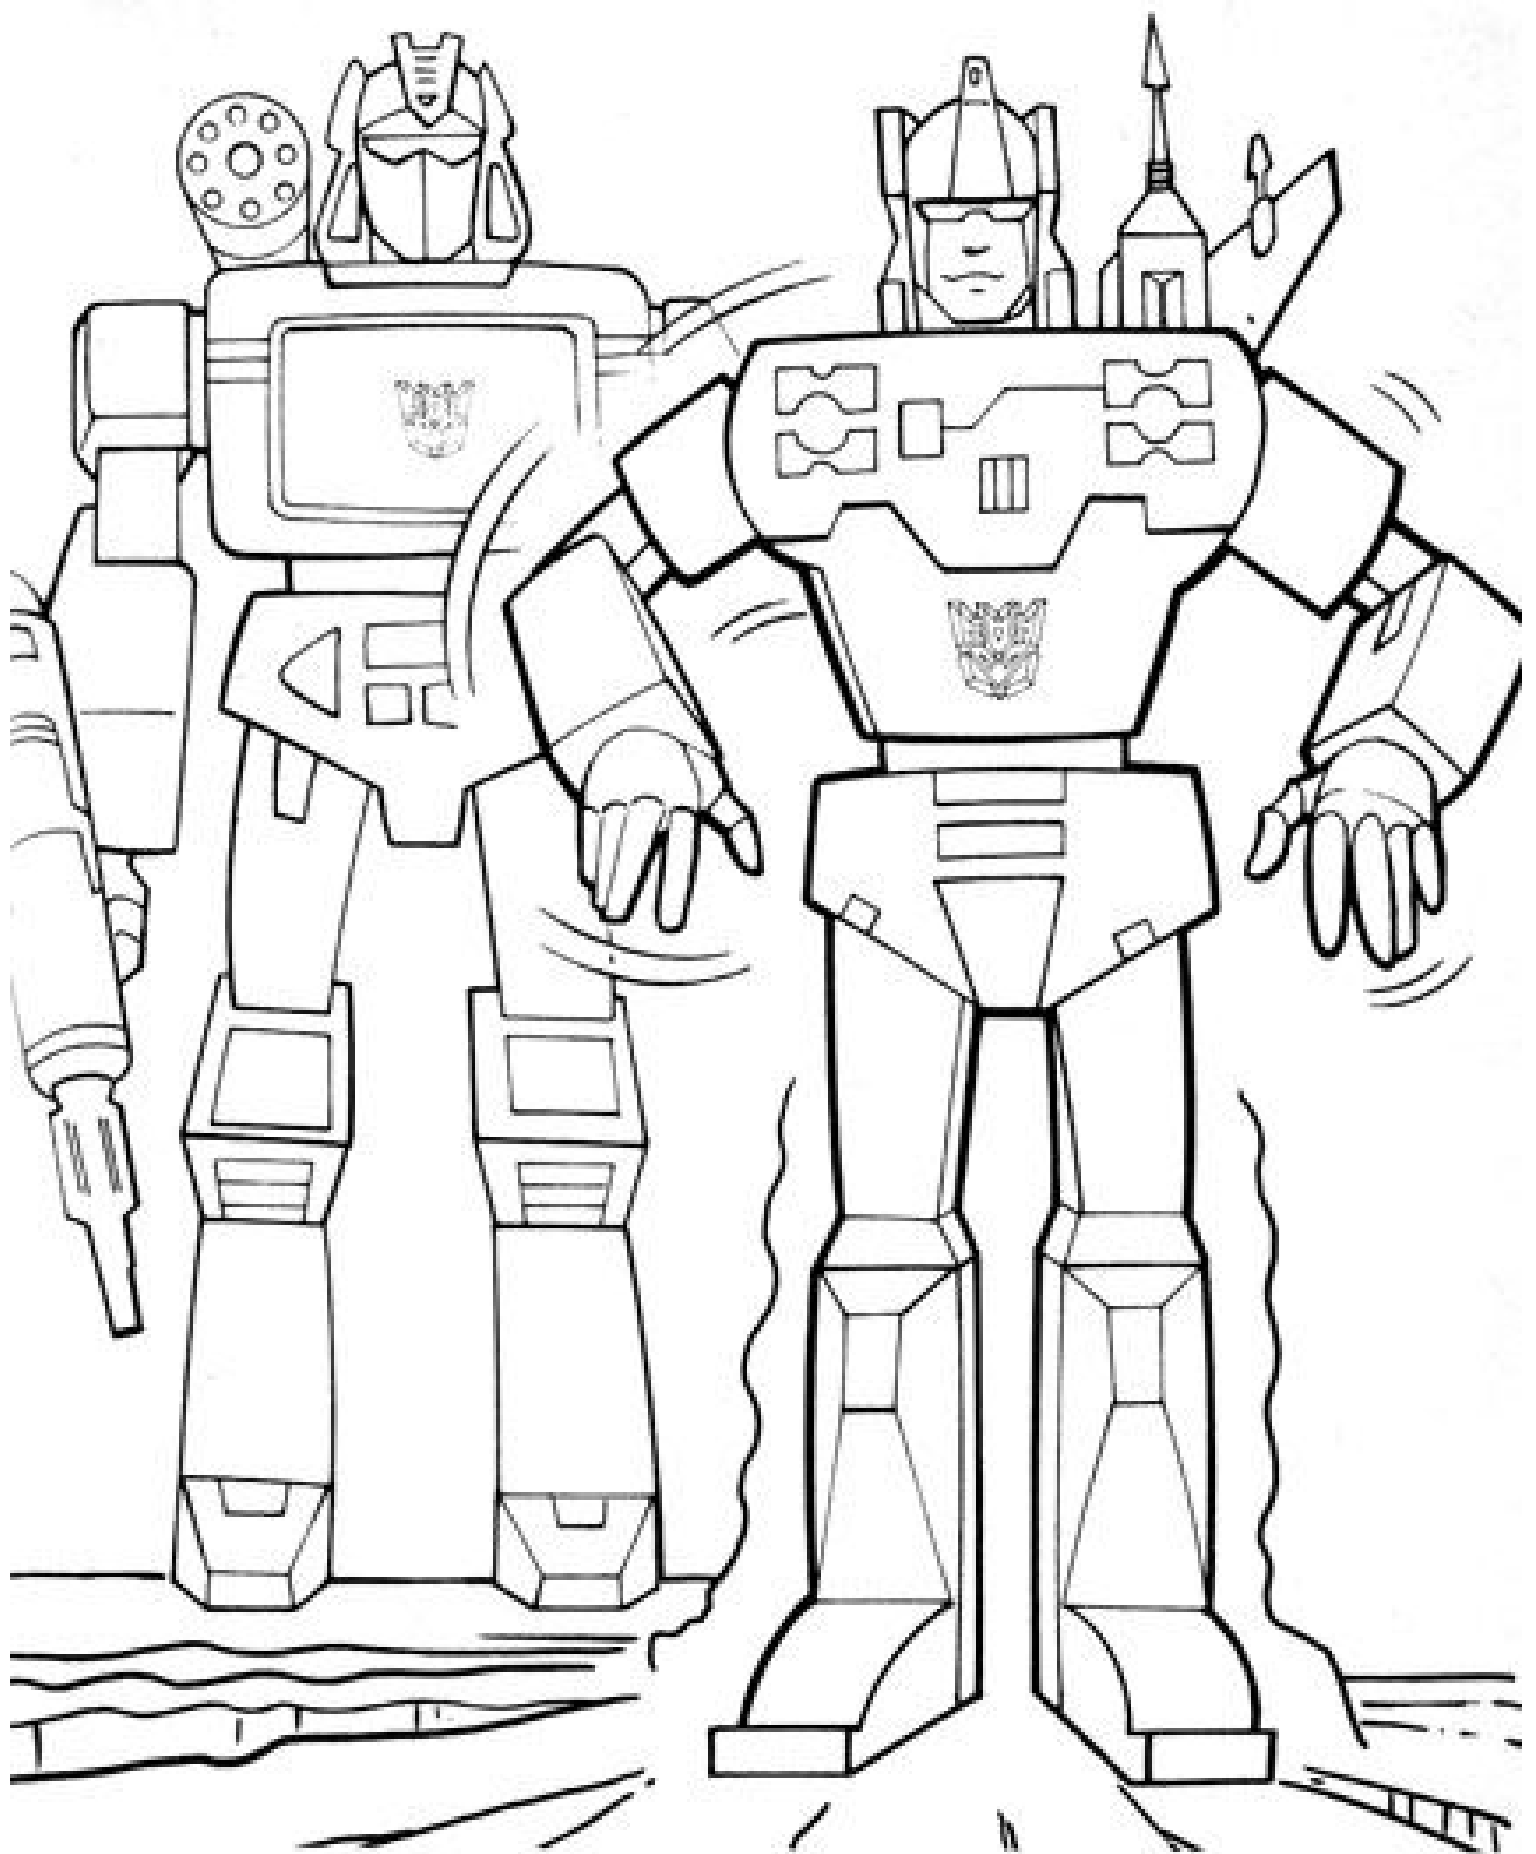

"I'm going to hit Mirage from behind!" says Thundercracker.

"Oh no! Something is jamming all my circuits! I'm going to crash!"
says Thundercracker.

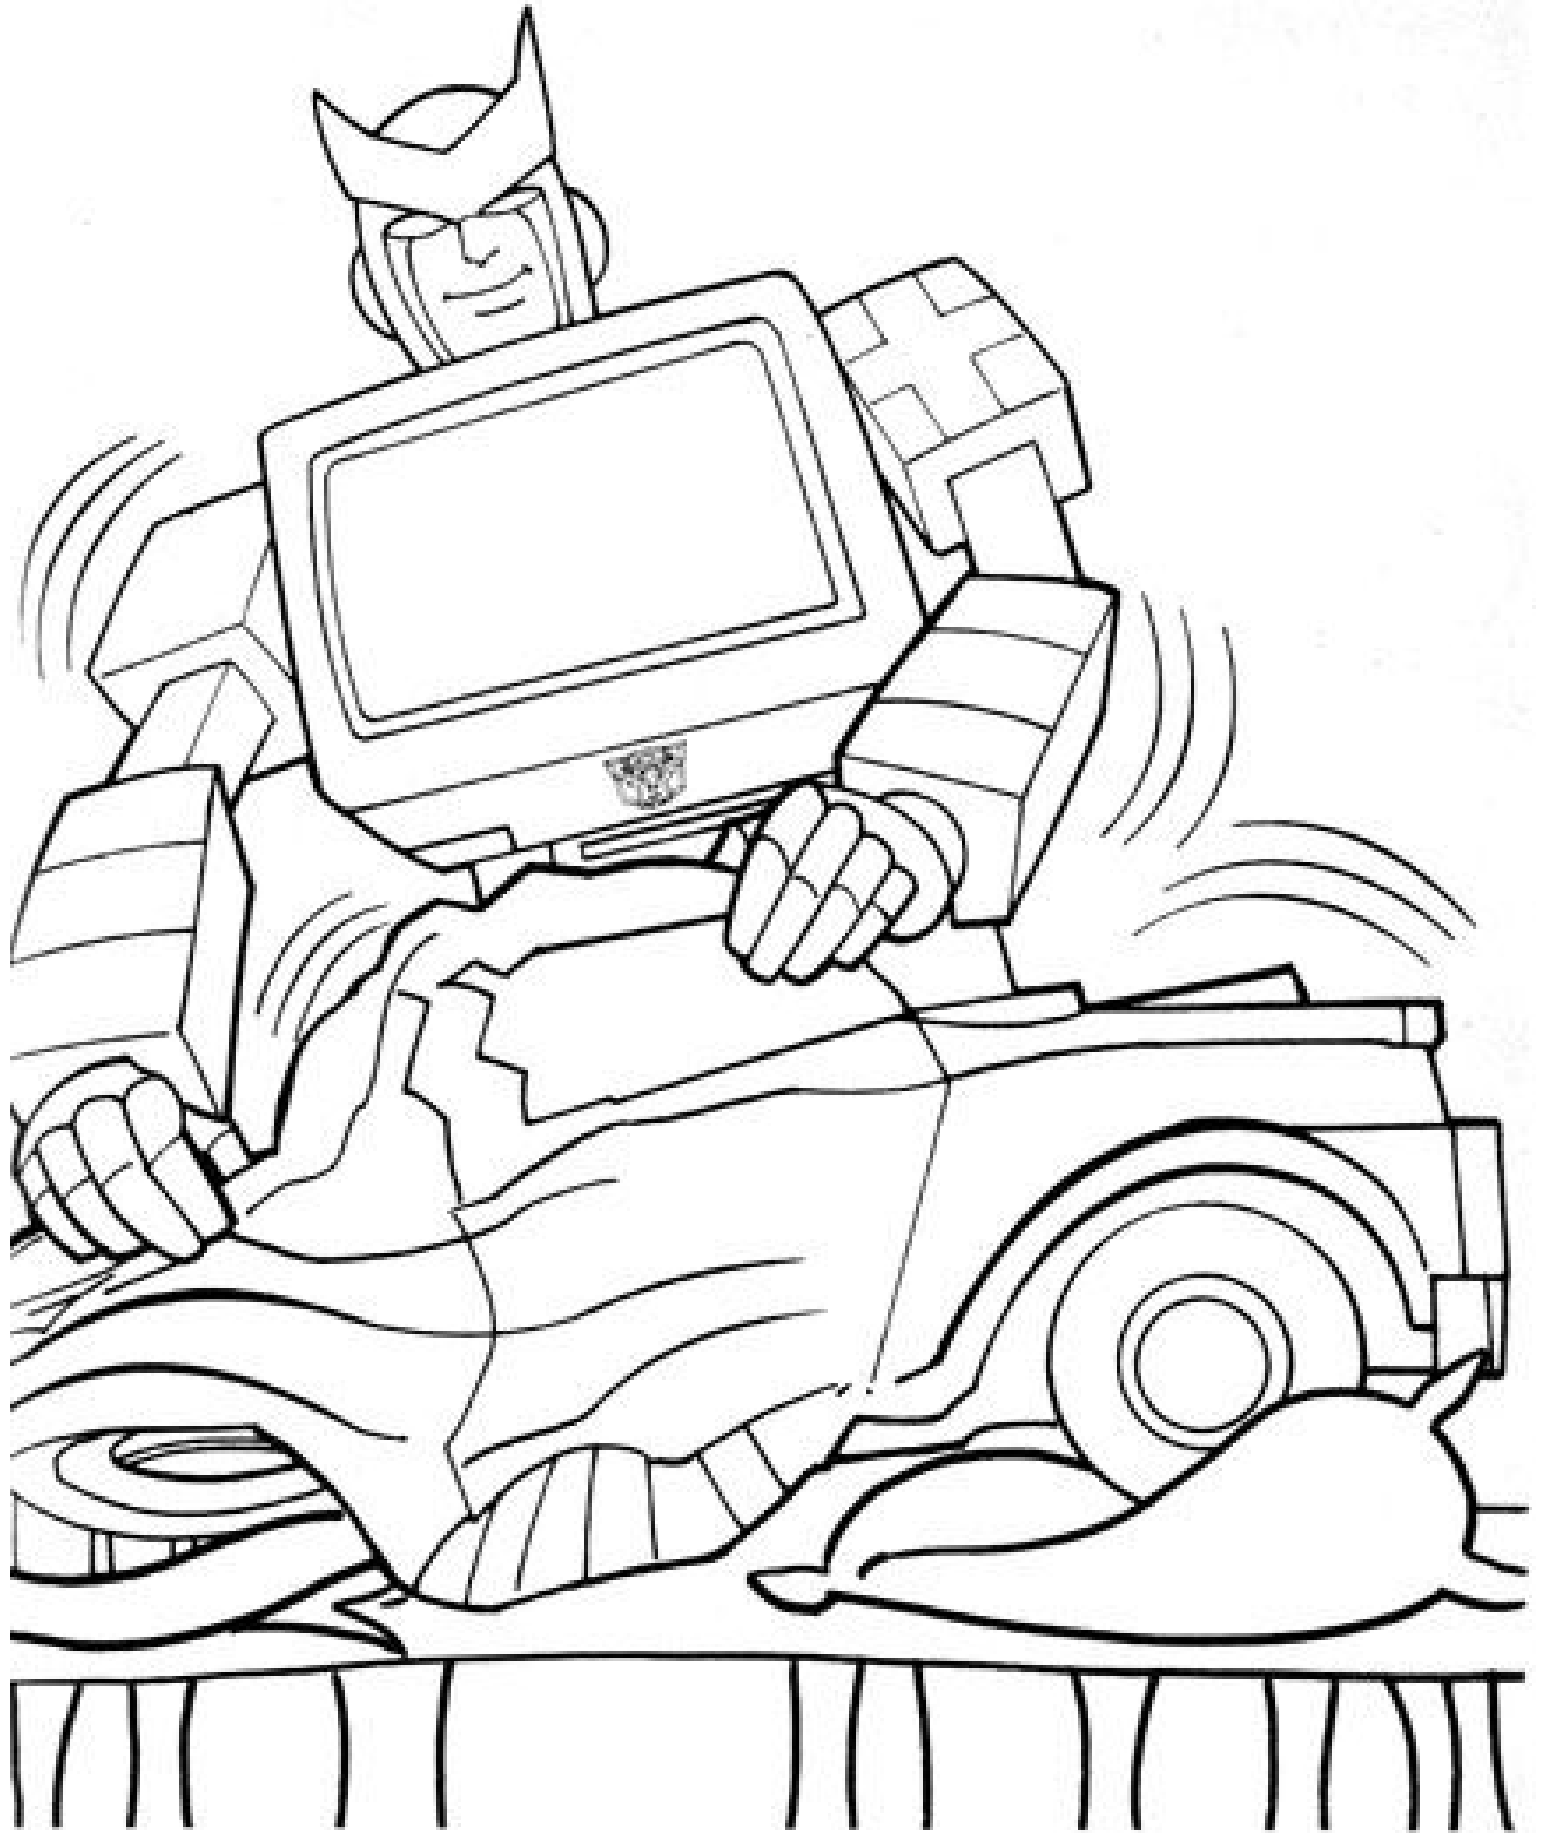

"My circuit-jammer will teach you never to attack an Autobot from behind, Thundercracker!" says Mirage.

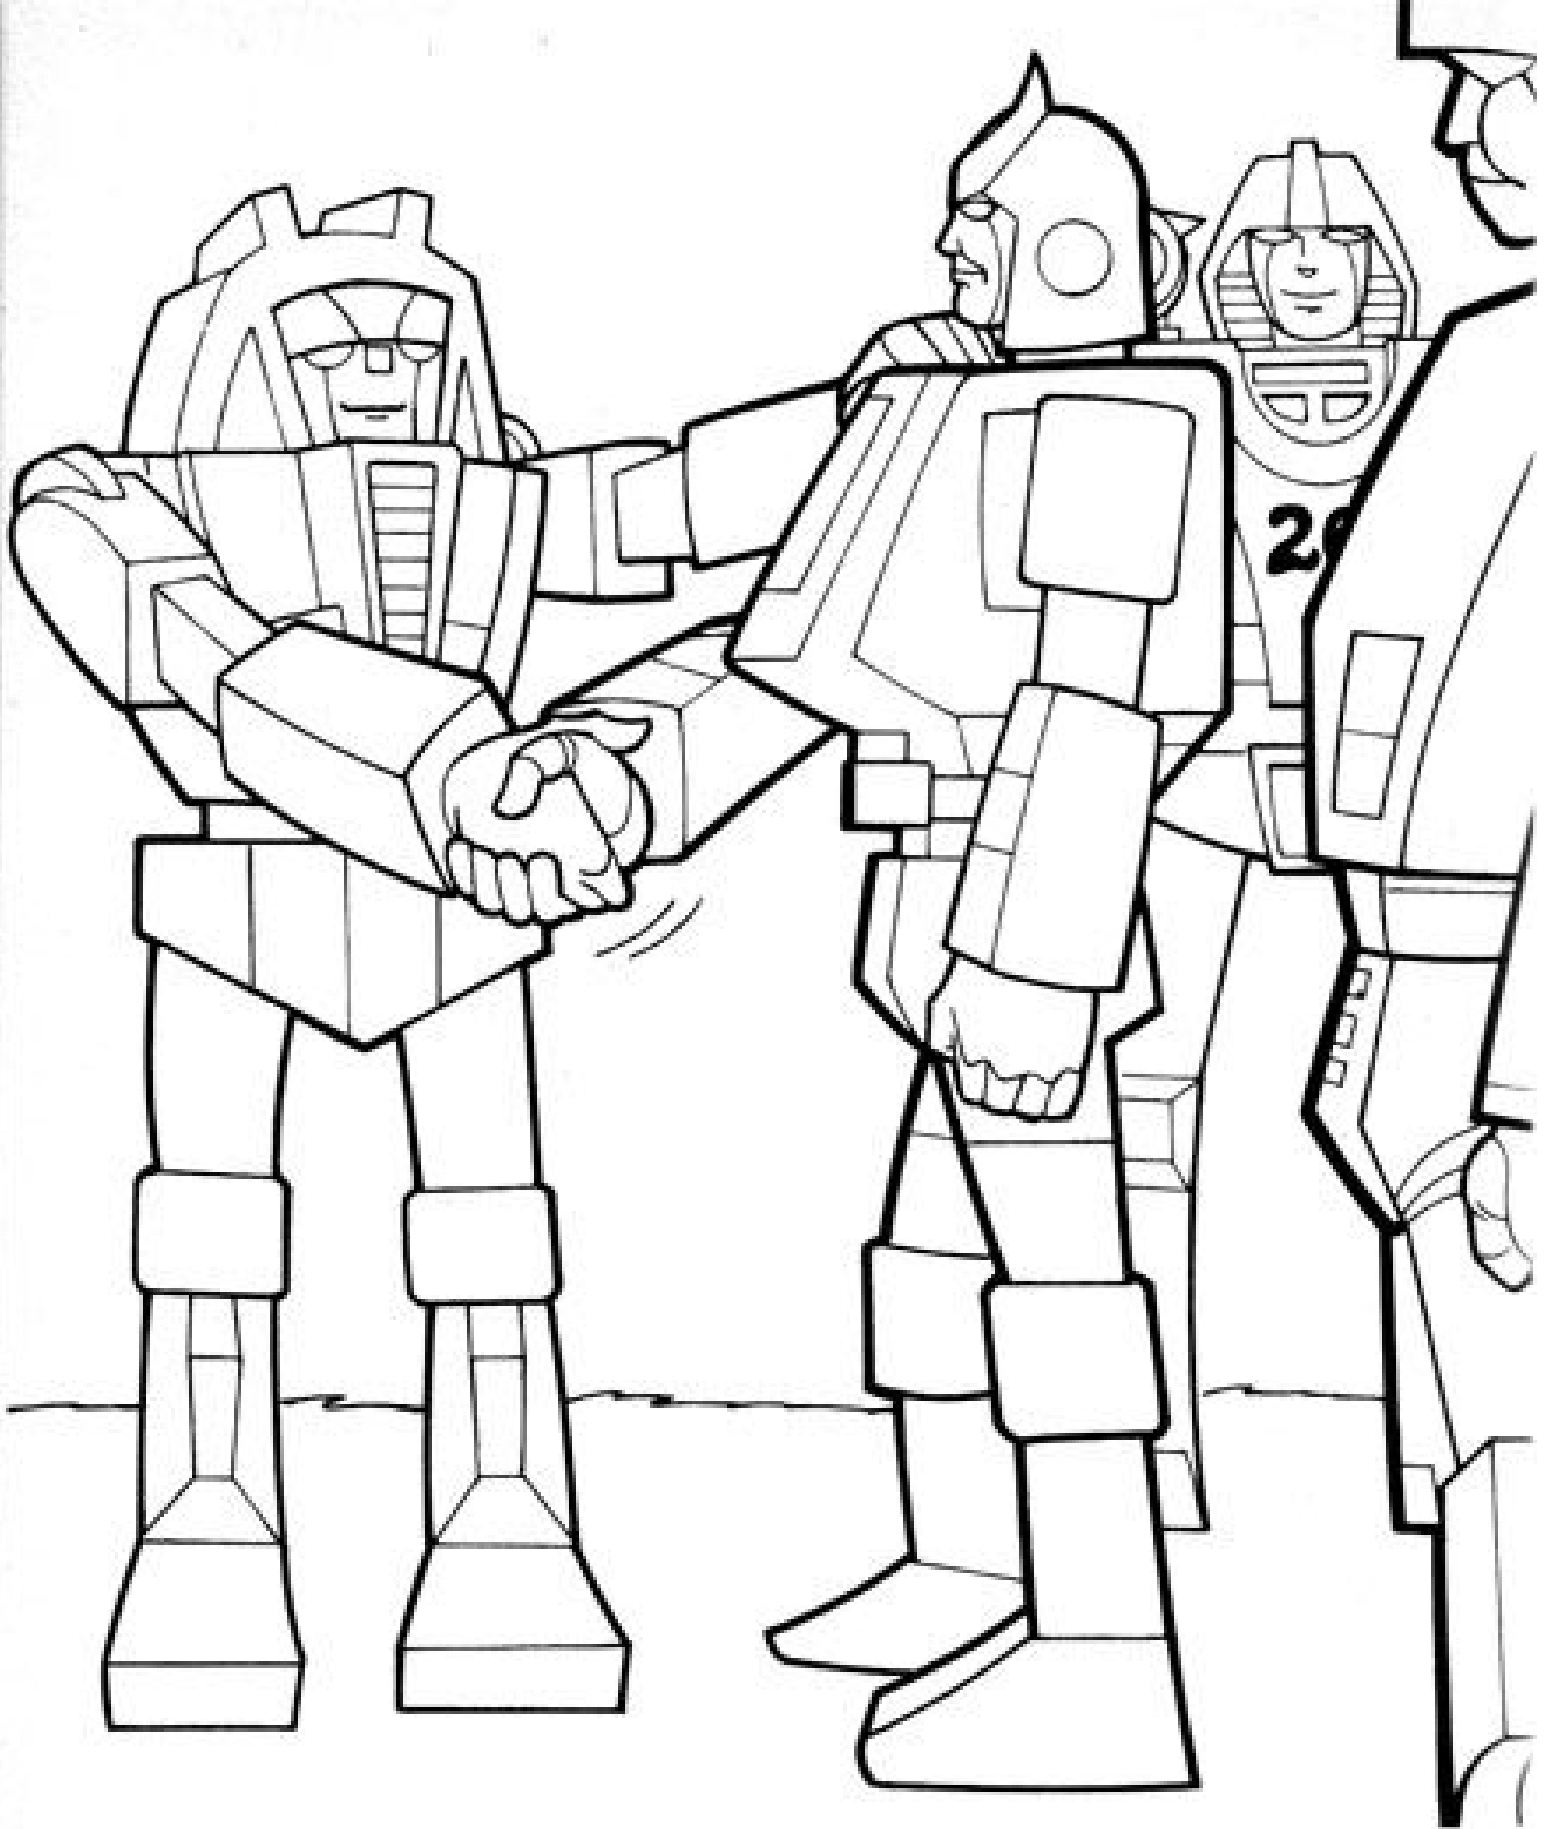

"I'll use my earthquake power to stop the Autobots!" says Rumble.

"Oh no!" shouts Rumble. "The earth cracked open underneath us!
We're falling!"

"Don't worry, Gears," says Ratchet. "I'll have you fixed up good as new!"

"Thank you, Ratchet!" says Gears. "With Autobots like you, the evil Decepticons will never take over earth!"

The End
